polarizing breed One thing that most people agree on about Chihuahuas is that they don't appear to understand just how small they are Most Chihuahuas don't exhibit much or any fear going up and barking at a Great Dane or Mastiff It's impossible not to shake your head at their antics This guide will walk you through the ins and outs of owning this phenomenal breed Whether you're someone playing with the idea of getting a Chihuahua or have already embarked on your journey with your pup this guide will offer an insight into how to create a happy and fulfilling life for you and your Chi This book will answer all your questions such as Is a Chihuahua the right dog for me I brought my Chihuahua home What now How can I best train my Chihuahua What are some common mistakes should I avoid They can be difficult to train and their personalities tend to match their parents' personalities But with early socialization they can make fantastic additions to any family Topics covered in the book include Mischievous Charmers the Defining Characteristics Breed History and Characteristics The Ideal Home Finding Your Chihuahua Preparing for Your Puppy The First Week The First Month Housetraining Socialization and Experience Being a Puppy Parent Living with other dogs Training Your Chihuahua Puppy Basic Commands Nutrition Grooming Productive Bonding Basic Health Care Health Concerns Your Aging Chihuahua Given their small size Chihuahuas are a surprisingly entertaining dog largely because they don't realize just how small they are They tend to be wary of strangers but when it comes to their family they are one of the most loyal breeds They love their families and want to protect them just as much as any large breed Chihuahuas are not for everyone but if you bring one into your home you will have a dog that will love you unconditionally
