Miller, 2007-04-01 Law School Confidential is written for students about to embark on this three-year odyssey by students who have successfully survived it. It demystifies the life-altering thrill ride that defines an American legal education by providing a comprehensive blow-by-blow, chronological account of what to expect. It arms students with a thorough overview of the contemporary law school experience. This isn't the advice of graying professors or battle-scarred practitioners decades removed from law school. Miller has assembled a panel of recent graduates to act as mentors, all of whom are perfectly positioned to shed light on what law school is like today. From taking the LSAT to securing financial aid to navigating the notorious first semester to taking exams to applying for summer internships to getting on the law review to tackling the bar and beyond, this book explains it all.    *Nolo's Encyclopedia of Everyday Law* Shae Irving, Nolo Editors, 2020-04-01 Everything you ever wanted to know about the law but couldn't afford to ask.
