Ballin,1890 **Fitness Through Aerobics** Jan Galen Bishop,1995 The authors use an extended metaphor to serve up a little book with a big message about two essentials of the Christian life What do bookends have to do with the Christian life They are a metaphor that Jerry Bridges has developed over the years and which he and coauthor Bob Bevington flesh out in this small volume The two bookends explain not only how we as sinners can be made acceptable to a holy God but also we can find the power to change They are thus essential for the Christian life In a unique book that should garner the attention of a wide range of readers the authors use their extended metaphor to help readers answer questions like How can I overcome persistent guilt How can I deal with the pressure to measure up Where can I find the motivation it takes to grow How can I live the Christian life with both my head and my heart How can I be sure God loves me How can I change in an authentic and lasting way So what are the bookends of the Christian life Christ s righteousness as it is transferred to dependent believers and the Holy Spirit s power as it enables their transformation In continuing their goal to re center the church at large onto the historic gospel of Jesus Christ Bridges and Bevington have served up this little book with a big message so that believers and seekers alike can understand these two keys to a genuine Christian life *Aphorisms on the Mental Culture and Training of a Child* Pye Henry Chavasse,1873
