## **The Concept Of Peace:**

*The Concept of Peace in Judaism, Christianity and Islam* Georges Tamer,2020-10-26 The eighth volume of the series Key Concepts of Interreligious Discourses investigates the roots of the concept of peace in Judaism Christianity and Islam and its relevance for the present time Facing present violent conflicts waged and justified by religious ideas or reasons peace building prevails in current debates about religion and peace Here the central question is How may traditional sources in religions help to put down the weapons and create a society in which everyone can live safely without hostilities and the threat of violence When we take the Sacred Scriptures of Judaism Christianity and Islam into consideration it becomes obvious that the term peace and its equivalents in Hebrew Greek and Arabic describe at first an ideal state based on the love mercy of God to his creation It is a divine gift that brings inward peace to the individuum and outer peace resting upon justice and equality One main task of Jews Christian and Muslims in the history is to find out how to bring down this transcendent ideal upon earth The volume presents the concept of peace in its different aspects as anchored in the traditions of Judaism Christianity and Islam It unfolds commonalities and differences between the three monotheistic religions as well as the manifold discourses about peace within these three traditions The book offers fundamental knowledge about the specific understanding of peace in each one of these traditions their interdependencies and their relationship to secular world views

**The ^APeace Continuum** Christian Davenport,Erik Melander,Patrick M. Regan,2018-06-12 The idea of studying peace over studying war genocide and political violence and then inferring about peace has gained traction recently but how should it be studied The Peace Continuum reviews the literature and offers three alternative ways in which peace could be conceptualized and studied

*The Idea of Peace in Antiquity* Gerardo Zampaglione,1973 *Sustainable Development and Peace* Romina Gurashi,2023-04-21 This book explores the growing attention that sociology has started to give to environmental issues in terms of peace and social justice With a focus on sociological theory and its development it reconstructs the long journey made by the social sciences towards the reconstruction in a single theoretical paradigm of the problems associated with the implementation of conditions of peace and sustainability Beginning from the premise that environmental issues are never purely environmental but entail political economic and social implications Sustainable Development and Peace offers an understanding of where we are heading and how reflecting on present challenges and possible directions for the future It will therefore appeal to scholars of sociology social theory development studies politics and environmental studies
