The Consortium:

The Consortium - Apex B.A. Chapman,2024-07-28 The monsters who created them are still out there And this time no one gets out untouched Amelia and her allies have sparked a movement liberating factions awakening powers and dismantling The Consortium from within But even as the walls of control begin to crumble a darker threat rises the BAF a faction unlike any other where inductees are conditioned past the point of humanity and where the Examiners play God with impunity As old ghosts resurface and buried secrets are unearthed a mysterious figure from The Consortium s founding emerges with a shocking proposition He claims he wants to help destroy the organization he helped build But can he truly be trusted or is he simply another monster in disguise Torn between mercy and survival the rebels must make an unthinkable choice risk everything to save the most broken among them or burn it all to the ground and start again Unforgiving and unforgettable The Consortium Apex delivers the shattering conclusion to a trilogy where justice comes at a steep price and survival is never guaranteed Report of the 1989-1990 Activities of the Consortium for Regional Mobility and the 1990-1991 Program Plan Institute of Transportation Engineers,1990

The Consortium - Rising B.A.

Chapman,2024-07-28 The old council is dead But the war for control has only just begun Amelia has shattered the upper ranks of The Consortium obliterated their corrupt council and brought the ruthless Jax to his knees But true freedom comes at a price and the deeper she digs into the organization s vast reach the more dangerous and tangled the web becomes With her powers growing and Spike by her side Amelia now walks a razor s edge between savior and weapon As factions rise from the shadows and hidden facilities emerge across the country former inductees begin to reclaim their lives while others plot revenge When a new threat emerges from Jax s secret past one that sees Amelia not as a threat but as a tool to be controlled the fragile alliance she s built begins to fracture And if she can t hold it together everything she s fought for could be lost Part rebellion Part reckoning All out war The Consortium Rising launches the trilogy into explosive territory where the line between hero and monster blurs and one woman s choices could either ignite a revolution or unleash an unstoppable new order
