## **Be Holy Learning The Path Of Sanctification:**

**Be Holy** Jason Garwood,2014-12-10 Whether we admit it or not sanctification is often misunderstood misapplied or ignored altogether There is a danger in attempting to follow Jesus apart from His commands provisions and promises Without a coherent biblically informed understanding of God His holiness His attributes His character any grace driven efforts of Christian growth will be truncated at best Now that Christ has saved us how does that work itself out in love What are some of the things we should know as a follower of The Way What if I just don t feel like growing in the Lord Inside Be Holy Learning the Path of Sanctification Jason Garwood explores the terrain of sanctification in a comprehensive and easy to understand way It s saturated in Scripture and rooted in the church s history of holiness the ups and downs of growth and change in the Christian life And at the center of Be Holy sits the reigning King Jesus and the work of the trinitarian God in the gospel May God stir up your affections as you behold His glory and walk the path of sanctification

**The Theology of Sanctification and Resignation in Charles Wesley's Hymns** Julie A. Lunn,2018-12-07 Sanctification is a central theme in the theology of both John and Charles Wesley However while John s theology of sanctification has received much scholarly attention significantly less has been paid to Charles views on the subject This book redresses this imbalance by using Charles many poetic texts as a window into his rich theological thought on sanctification particularly uncovering the role of resignation in the development of his views on this key doctrine In this analysis of Charles theology of sanctification the centrality he accorded to resignation is uncovered to show a positive attribute involving acts of intention desire and offering to God The book begins by putting Charles position in the context of contemporary theology and then shows how he differed in attitude from his brother John It then discusses in depth how his hymns use the concept of resignation both in relation to Jesus Christ and the believer It concludes this analysis by identifying the ways in which Charles understood the relationship between resignation and sanctification namely that resignation is a lens through which Charles views holiness The final chapter considers the implications of these conclusions for a twenty first century theological and spiritual context and asks whether resignation is still a concept which can be used today This book breaks new ground in the understanding of Charles Wesley s personal theology As such it will be of significant interest to scholars of Methodism and the Wesleys as well as those working in theology spirituality and the history of religion
