Sluzhba V Armii Spravochnik:

The Military History of Tsarist Russia F. Kagan, R. Higham, 2016-04-30 The Military History of Tsarist Russia examines Russian military history from the rise of the Muscovite state to the present even peeking briefly into the future The volume covers Russia's land forces extensively but also covers the development of the Russian Navy and the creation and development of the Russian Air Force parts of the Russian military machine that are frequently neglected in general writings The historical analysis addresses the development and function of the Russian military whether in peace or in war as well as the impact of war and changes in the military upon Russian society and politics Questions of military organization doctrine and technique are paramount as well as the critical question of the interface between the armed forces and society

Soviet Military Economic Relations, 1983 Outdoor Adventures in the Soviet Union and the Post-Soviet Space Alexander Statiev, 2026-02-18 Exploring the evolution of adventure tourism in Russia from imperial times to the present this book highlights the distinctive features of Soviet non commercial trekking boating climbing and skiing expeditions organised by urbanites during their annual vacations This study based on archival and other contemporary sources and interviews with key leaders of the Soviet outdoor community also benefits from the unique personal perspective of the author who led numerous expeditions across Soviet wilderness This book discusses the uneasy symbiotic relationship between tourist self administration and the state bureaucracy that attempted to impose its own programme on outdoor enthusiasts the culture of Soviet adventure tourism including its distinctly militaristic flavour the social ethnic and gender composition of tourist teams and a host of problems unfamiliar to Western adventurers encountered and solved along the thorny path to the trailhead This book analyses the temporary micro socialities created by Soviet tourists exposing the values that flourished outside of state control Outdoor Adventures in the Soviet Union and the Post Soviet Space will be a useful resource to scholars of authoritarianism especially those studying the latter in the context of cultural and sports history as well as for graduate students taking courses on cultural or social history

The Armed Forces Of The Ussr Harriet Fast Scott, William F. Scott, 2019-07-16 This up to date analysis of the development and organization of the Soviet Armed Forces provides a profound insight into the military thinking that has determined the course of Soviet military history from the birth of the first Communist armed forces organization to the present The eminent authors of this book have drawn on thousands of Soviet Ministry of Defense publications only a very few of which have been translated into English and four years of research in the USSR to portray the fundamentals of Soviet military doctrine and strategy They cover fully the postwar development of the Soviet military looking at the High Command each of the five services combat formations and supporting agencies and give a comprehensive account of the Soviet military industrial complex military training of Soviet youth military manpower mobilization and the Soviet officer corps Their discussion of the relationship between the Party and the Armed Forces based on Soviet data includes an examination of popular Western myths about internal Soviet military Party splits The wealth of

detailed information contained in this book includes numerous notes tables and figures and a broad range of other data all based exclusively on primary sources as well as an extensive bibliography

The Soviet High Command: a Military-political History, 1918-1941 John Erickson, 2013-07-04 An objective and documentary history of the earliest origins and formative years of the Workers Peasants Red Army from the Civil War to the initial disasters of the war with Germany the Great Patriotic War culminating in the battle for Moscow in November December 1941

The Soviet High Command John Erickson, 2019-07-11 This book aims to furnish a history of the origins and development of Soviet military leadership together with a survey of its relations with the Communist Party and the governmental apparatus within the chronological limits of the first attempts to organise the Red Army and a military command

How Russia Makes War Raymond L. Garthoff, 2021-01-26 This book first published in 1954 is a key analysis of the guiding policies basic assumptions fundamental principles and methods of the Red Army in many respects the most powerful force in the Cold War This analysis examines the strategy and tactics weapons systems training discipline and political doctrine of the Red Army as well as focusing on the political control of the USSR and its satellite states
