Afterward she's racked by guilt or at least she knows she should be. But there's something about her one time lover that makes her think they may share more than just out of control chemistry. Hunter Fletcher isn't a commitment kind of guy but the woman he meets at the honky tonk stirs a new kind of longing. A covert operative for the CIA, Hunter carries his share of secrets. But when they intersect with Serena's tragic past, he fears she won't want to know the truth or that once she does, the only woman he's ever loved will leave him forever.
