**The International League** Marshall D. Wright,2024-10-14 From 1884 to 1953 the International League enjoyed a measure of stability that was the envy of many other minor leagues. With franchises located in cities along the East Coast and Canada including Newark, Toronto, Baltimore, Montreal, and Providence, the circuit produced a brand of baseball that was only a bit below that of the majors. This is the complete year by year, team by team, statistical history of the first 70 years of the International League from its beginnings with the Eastern League in 1854 to 1953 when longtime member Baltimore was forced to relocate its franchise to make way for a major league team. For each season there is a brief essay that covers the league's highlights and its champion. Full rosters for each team are then provided with complete statistics for all players.

**The Texas League in Baseball, 1888-1958** Marshall D. Wright,2024-10-11 For over 100 years the Texas League has been one of the top minor leagues in the Southwest. This work is a statistical history of the Texas League from its inception in 1888 through 1958 when Houston, Fort Worth, and Dallas left for higher aspirations in Triple A and major league baseball. The book is arranged by year and each chapter begins with a short introduction that also highlights a player, team, or aspect of the game that season. The teams are then presented in standings order and the author provides statistics for each player, games at bats, runs, hits, runs batted in, doubles, triples, home runs, walks, strikeouts, stolen bases, and batting average, and each team's wins, losses, winning percentage, and games behind first place. For pitchers, the statistics provided here include wins and losses, winning percentage, games started, complete games, shutouts, innings pitched, hits allowed, walks, strikeouts, and earned run averages.
