The Communicator's Commentary Louis Hadley Evans,1985 *The Communicator's Commentary* Louis H. Evans,1979
Communicator's Commentary Louis Evans,1991-05-01 **The Communicator's Commentary Series: Hebrews** Lloyd John Ogilvie, *Nelson's New Illustrated Bible Commentary* Thomas Nelson,1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles maps charts and illustrations all in one volume Clear and Comprehensive Annotations by leading evangelical scholars don t dodge tough issues alternative views are presented fairly but commentators make their positions clear Attractively Designed Graphics appeal to the sound bite generation and others who aren t traditional commentary readers Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background Visually Appealing Maps drawings and photos illuminate the commentary and visualize important information *Hebrews* William L. Lane,1991 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship **The Communicator's Commentary** Gary W. Demarest,1984 *A Homiletical Praxeology on the Persuasiveness of Literary Forms* Ferdi P. Kruger,2025-04-29 This book is aimed at academic scholars and preachers who deal with homiletical praxeology weekly Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew s Gospel and the Hebrew sermon The book s uniqueness is encapsulated in the idea that it is a practical theological and homiletical study Consequently the book offers empirical perspectives on literary forms and an inter disciplinary engagement with neighbour sciences before presenting normative perspectives This book posits that faith communities should be exposed to more literary forms to realise that the library of the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice *Euthanasia, Suicide, and Despair: Can the Bible Help?* Michael J. Lowis,2015-10-21 Despite its title this is not a morbid or depressing book but one that it is hoped will bring encouragement and comfort to all who are experiencing life s difficulties even to the point of wondering if they wish to continue living However the question of whether or not it is morally acceptable for people to receive help to end their lives prematurely is a divisive one but it is one that cannot be ignored Some countries have already legalized voluntary euthanasia whilst others are still wrestling with this ethical dilemma We all hope that we will never be faced with this situation but if it

does arise where can we turn for help and guidance The Bible is one useful resource as over fifty passages have been identified that relate to coping with desperate life circumstances along with a few instances where a life has been ended prematurely In addition to identifying and discussing these passages this book also provides helpful background on the history of the biblical sources used along with factors influencing their interpretation Reading this book should provide strength and courage to persevere through life s adversities **The Epistle to the Hebrews** Harold W. Attridge,1989 The first major and comprehensive English language commentary on Hebrews in over fifty years Presents a balanced and richly documented interpretation **Should the Church Teach Tithing?** Russell Kelly, Ph.D.,2001-01-11 Following a thorough examination of every biblical text on tithing Dr Kelly concludes that the church would be best served spiritually by believing and applying better New Testament principles of giving After discussing sound biblical reasons for Christians to replace tithing he presents God s better principles of grace Doctrines such as the New Testament concept of law and covenant and the priesthood of believers are presented as they affect tithing Following several chapters which discuss disputed texts relating to pastoral support this book traces the early development of church support as found in the Church Fathers before Nicea This book leaves no question or objection about tithing unanswered It is a must read for any serious Bible student There is a wealth of other doctrinal insights to be gained as one goes through the Bible in search of the truth about tithing

Anderson,2001 The Kingdom of David has been the focus of disagreement among Biblical interpreters practically since the ascension of Christ Since Christ was enthroned at the right hand of God the Father when he ascended many believe he began ruling from that throne at that time But is this kingdom over which he rules the Davidic kingdom Reformed scholars say yes dispensational scholars say no A new breed of dispensational scholars say yes and no These Progressive Dispensationalists say Jesus has inaugurated the Kingdom of David
