The Toxic War on Masculinity Nancy R. Pearcey, 2023-06-27 Why Can't We Hate Men asks a headline in the Washington Post A trendy hashtag is KillAllMen Books are sold titled I Hate Men The End of Men and Are Men Necessary How did the idea arise that masculinity is dangerous and destructive Bestselling author Nancy Pearcey leads you on a fascinating excursion through American history to discover why the script for masculinity turned toxic and how to fix it Pearcey then turns to surprising findings from sociology Religion is often cast as a cause of domestic abuse But research shows that authentically committed Christian men test out as the most loving and engaged husbands and fathers They have the lowest rates of divorce and domestic violence of any group in America Yes domestic abuse is an urgent issue and Pearcey does not mince words in addressing it But the sociological facts explode the negative stereotypes and show that Christianity has the power to overcome toxic behavior in men and reconcile the sexes an unexpected finding that has stood up to rigorous empirical testing

Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone

The Preacher's Tool: Ready-Made Sermons for Preachers Dr. Venkat Potana, 2026-01-03 The Preacher's Tool Ready Made Sermons for Preachers by Dr Venkat Potana is a significant contribution to the field of homiletics providing a comprehensive resource for pastors teachers and students of the Word This book is not just a collection of sermons it is a guide to expository preaching

that emphasizes the necessity of biblical integrity and theological depth in proclaiming God's Word. In an era where many sermons prioritize emotional appeal over doctrinal soundness, this book serves as a reminder that true preaching is rooted in Scripture, drawing directly from the text and applying it with precision and clarity. One of the book's greatest strengths is its commitment to biblical exposition. Each sermon is carefully crafted, engaging deeply with the historical and theological context of the passages while maintaining relevance for contemporary audiences. Rather than offering superficial messages, Dr. Potana provides in-depth insights that challenge preachers to think critically and apply the Word of God faithfully. The sermons cover a wide range of topics, addressing both foundational Christian doctrines and practical aspects of Christian living, making this book a versatile tool for ministers in various settings. Another key feature of this book is its focus on the transformative power of preaching. Dr. Potana does not merely present sermons as static texts; he encourages preachers to use them as a foundation for deeper study, urging them to immerse themselves in Scripture and seek the guidance of the Holy Spirit. The goal is not to rely on pre-written messages but to develop a strong personal engagement with the biblical text. This book serves as both an educational tool and an inspirational resource, equipping preachers to communicate God's truth effectively. The Preacher's Tool is also practical in its approach, offering structured sermons that can be adapted to various congregational needs. Whether a minister is preparing for Sunday services, midweek teachings, or evangelistic outreach, the book provides a solid framework for sermon development. Additionally, it highlights the urgency of preaching in today's world, where biblical literacy is declining and the church faces increasing cultural and theological challenges. Ultimately, this book is an invitation to preachers to return to the heart of their calling: to faithfully proclaim the gospel with boldness and clarity. It reminds us that preaching is not about personal opinions or popular trends but about communicating the unchanging truth of God's Word. Dr. Potana's work stands as a valuable asset for anyone committed to the ministry of the Word, providing both guidance and encouragement for those entrusted with the sacred task of preaching.

I Am Redeemed Phyllis E. Jones Coleman, 2012-12-28

The Bible condemns drunkenness and alcohol abuse but makes no specific reference to drug abuse, eating disorders, workaholics, or most other addictions that concern us today. In many societies, thousands of individuals are addicted to alcohol, drugs, television, compulsive spending, sexual immorality, smoking, overeating, and a host of other behaviors. An addiction is anything or a behavior that is habitual, repetitious, and difficult or impossible to control. Usually, the addiction brings short-term pleasure but there may be long-term consequences in terms of one's health and welfare. Addictions tend to be progressive conditions that slowly exert more and more power and control over the individual. As people move from infancy toward maturity, they travel through developmental periods in which people have somewhat similar characteristics. Each individual advances through various stages in life, all distinctly different to maturity. The infant stage differs greatly from the junior high, but both contribute to the total development in the life span of the individual. For the Christian, there are two aspects of personality development. One relates to the natural human personality, and the other is the Christian personality.

Personality in the natural human sense is a term describing the total of what people are physically intellectually socially emotionally and spiritually It includes every aspect and area of life From birth personality is influenced and molded by many forces heredity and environment being the major forces Within the environment mainly family school church peer group and society influence a person Subsequent physical intellectual emotional social and spiritual structure is built upon the foundation of early childhood Growth and development are not synonymous terms Growth means to increase in size function and complexity up to maturity Development implies change over time in structure thought and behavior caused by biological and environmental influences As the individual experience the human development from birth to adulthood the addicted too must endure to achieve redemption from the bondage of sin for God always takes us back to the root of the situation Thereby the elementary stage is evident when one begins Gods process of redemption God planned our Redemption His Son and the Holy Spirit executed it This redemption demonstrated the eternal defeat of Satan Jesus stripped him of his authority and dominion after He had paid the penalty of mans transgression *Christianity, Bible and Alternate Healing Therapy* Dr. Vikram Emmanuel Amolik,2025-05-06 *The One Year Praying the Promises of God* Cheri Fuller,Jennifer Kennedy Dean,2012-10-01 Spend this year meditating on the promises of God In this devotional Cheri Fuller and Jennifer Kennedy Dean invite readers to explore God s promises each and every day and encourage them to reflect on how God s hand is evident if only we look for it Each reading includes a Bible verse from that day s reading in The One Year Bible a devotional a prayer and a quotation that relates to the promise of the day Each day is an invitation to pursue a closer relationship to God and a reminder that God always keeps his promises **Disciple Gate** Tim Sutton,2024-05-17 Jesus invites people to a life pulsing with love purpose and the promise of unending joy He calls this narrow road journey discipleship and says Follow me The first generations to believe in Jesus knew that following him and his ways was an essential part of their faith They self identified as disciples Today many people are disconnected from this journey or unsure of where to start Disciple Gate is a thoughtful practical and down to earth guide to discipleship that can help change that Through Scripture story and personal testimony readers explore five key moments in this adventure with Jesus Stepping through seasons of beauty and struggle they learn to develop a resilient and reproductive faith They move into life with Jesus and friendship with God Enter through the narrow gate For wide is the gate and broad is the road that leads to destruction and many enter through it But small is the gate and narrow the road that leads to life and only a few find it Jesus Matt 7 13 14 **Silent Pain** Kathy Olsen,1992 **New Covenant** ,2001 Your Wounds I Will Heal Robert Faricy,Lucy Rooney,1999 This book will bring enlightenment and great encouragement to all seeking healing from the Triune God and knowledge and motivation to those already involved in the healing ministry to bring health and greater life into the Body of Christ from the Foreword by George A Maloney S J **Prayer that Heals Our Emotions** Eddie Ensley,1986 Healed for Holiness Martin F.
