An objective perspective of the issue of bilingual education in California By 1990 half of the students starting school in California will come from non English speaking homes Addresses the question should they be taught only English in school or should some of their lessons be taught in their native tongue Takes place in Oakland and Berkeley schools *The Confusion of Tongues* Charles Wright Ferguson, 1929 *In de ban van de hemel* Jon Krakauer, 2022-08-09 In 1984 vermoordden de twee mormoonse broers Ron en Dan Lafferty op gruwelijke wijze de vrouw en baby van hun broer De dubbele moord was niet alleen opmerkelijk vanwege de ongewone wreedheid maar ook omdat de broers beweerden dat zij van God de opdracht hadden gekregen hun onschuldige slachtoffers te vermoorden Beginnend met een nauwgezet verslag van deze misdaad construeert Krakauer een afschrikwekkend verhaal van Messiaanse waanzin bruut geweld en onbuigzaam geloof Hij neemt de lezer mee naar de gesoleerde gemeenschappen in West Amerika Canada en Mexico waar meer dan 40 000 mormoonse fundamentalisten geloven dat de heersende stroming van de mormoonse kerk van het juiste pad afdwaalde toen deze de polygamie verbood Deze groep fanatieke hardliners wil alleen nog maar verantwoording afleggen aan God Ze controleren elk facet van de levens van hun volgelingen en prediken het einde van de wereld waaraan alleen de meest gehoorzame aanhangers zullen kunnen ontsnappen In *In de ban van de hemel* onderzoekt Krakauer het mormonisme en hij ontdekt een uitgesproken Amerikaanse stroming van religieus extremisme Jon Krakauer schreef eerder onder andere de bestsellers *Dromen van de Eiger* *De wildernis in en De ijle lucht in De pers over* *In de ban van de hemel* Een krachtig portret van hoe twee ogenschijnlijk normale Amerikanen moordenaars werden *The Economist* Een helder goed gedocumenteerd en toegankelijk verslag *Daily Telegraph* **Aimee Semple McPherson and the Making of Modern Pentecostalism, 1890-1926** Chas H. Barfoot, 2014-09-19 Pentecostalism was born at the turn of the twentieth century in a tumble down shack in a rundown semi industrial area of Los Angeles composed of a tombstone shop saloons livery stables and railroad freight yards One hundred years later Pentecostalism has not only proven to be the most dynamic representative of Christian faith in the past century but a transnational religious phenomenon as well In a global context Pentecostalism has attained a membership of 500 million growing at the rate of 20 million new members a year Aimee Semple McPherson born on a Canadian farm was Pentecostalism s first celebrity its female Billy Sunday Arriving in Southern California with her mother two children and 100 00 in 1920 Sister Aimee as she was fondly known quickly achieved the height of her fame In 1926 by age 35 Sister Aimee would pastor America s largest class A church perhaps becoming the country s first mega church pastor In Los Angeles she quickly became a folk hero and civic institution Hollywood discovered her when she brilliantly united the sacred with the profane Anthony Quinn would play in the Temple band and Aimee would baptize Marilyn Monroe council

Jean Harlow and become friends with Charlie Chaplin Douglas Fairbanks and Mary Pickford Based on the biographer's first time access to internal church documents and cooperation of Aimee's family and friends this major biography offers a sympathetic appraisal of her rise to fame revivals in major cities and influence on American religion and culture in the Jazz Age The biographer takes the reader behind the scenes of Aimee's fame to the early days of her harsh apprenticeship in revival tents failed marriages and poverty Barfoot recreates the career of this called and driven woman through oral history church documents and by a creative use of new source material Written with warmth and often as dramatic as Aimee herself the author successfully captures not only what made Aimee famous but also what transformed Pentecostalism from its meager Azusa Street mission beginnings into a transnational global religion Biblical Demonology Merrill F. Unger, 1994-04-15 The supreme merit of *Biblical Demonology* is that it holds closely to the Word of God It will remain for many years to come the standard treatment of biblical demonology Dr Wilbur M Smith **James Joyce's America** Brian Fox, 2019-02-14 James Joyce's *America* is the first study to address the nature of Joyce's relation to the United States It challenges the prevalent views of Joyce as merely indifferent or hostile towards America and argues that his works show an increasing level of engagement with American history culture and politics that culminates in the abundance of allusions to the US in *Finnegans Wake* the very title of which comes from an Irish American song and signals the importance of America to that work The volume focuses on Joyce's concept of America within the framework of an Irish history that his works obsessively return to It concentrates on Joyce's thematic preoccupation with Ireland and its history and America's relation to Irish post-Famine history Within that context it explores first Joyce's relation to Irish America and how post-Famine Irish history as Joyce saw it transformed the country from a nation of invasions and settlements to one spreading out across the globe ultimately connecting Joyce's response to this historical phenomenon to the diffusive styles of *Finnegans Wake* It then discusses American popular and literary cultures in terms of how they appear in relation to or as a function of the British Irish colonial context in the post-Famine era and concludes with a consideration of how Joyce represented his American reception in the *Wake* *Challenging Religion* James A. Beckford, James T. Richardson, 2003-09-02 Leading scholars examine the growth of new religious movements or cults in the US and Europe over the last 50 years and state attempts to monitor and control them debating the political practical and ethical issues which arise **How the Arabian Nights Inspired the American Dream, 1790-1935** Susan Nance, 2009-06-01 Americans have always shown a fascination with the people customs and legends of the East witness the popularity of the stories of the Arabian Nights the performances of Arab belly dancers and acrobats the feats of turban-wearing vaudeville magicians and even the antics of fez-topped Shriners In this captivating volume Susan Nance provides a social and cultural history of this highly popular genre of Easternized performance in America up to the Great Depression According to Nance these traditions reveal how a broad spectrum of Americans including recent immigrants and impersonators behaved as producers and consumers in a rapidly developing

capitalist economy In admiration of the Arabian Nights people creatively reenacted Eastern life but these performances were also demonstrations of Americans own identities Nance argues The story of Aladdin made suddenly rich by rubbing an old lamp stood as a particularly apt metaphor for how consumer capitalism might benefit each person The leisure abundance and contentment that many imagined were typical of Eastern life were the same characteristics used to define the American dream The recent success of Disney s Aladdin movies suggests that many Americans still welcome an interpretation of the East as a site of incredible riches romance and happy endings This abundantly illustrated account is the first by a historian to explain why and how so many Americans sought out such cultural engagement with the Eastern world long before geopolitical concerns became paramount

Women of the Klan Kathleen M. Blee,2009 Ignorant Brutal Male One of these stereotypes of the Ku Klux Klan offers a misleading picture In Women of the Klan sociologist Kathleen M Blee dismantles the popular notion that politically involved women are always inspired by pacifism equality and justice In her new preface Blee reflects on how recent scholarship on gender and right wing extremism suggests new ways to understand women s place in the 1920s Klan s crusade for white and Christian supremacy *The Catholic Historical Review* ,1930 The Mennonite Quarterly Review Harold Stauffer Bender,1964 **Understanding Finnegans Wake** Danis Rose,John O'Hanlon,1982
