**The Conqueror's Wife** Stephanie Thornton, 2015-12-01 A novel from the acclaimed author of *The Tiger Queens* for readers looking for strong and determined female protagonists Historical Novel Society and a sprawling historical saga  
Renee Rosen We are the women who loved Alexander the Great We were lovers and murderers innocents and soldiers And without us Alexander would have been only a man Instead he was a god 330s B C E Greece Alexander a handsome young warrior of Macedon begins his quest to conquer the ancient world But he cannot ascend to power and keep it without the women who help to shape his destiny His spirited younger half sister Thessalonike yearns to join her brother and see the world Instead it is Alexander's boyhood companion who rides with him into war while Thessalonike remains behind Far away crafty princess Drypetis will not stand idly by as Alexander topples her father from Persia's throne And after Alexander conquers her tiny kingdom Roxana the beautiful and cunning daughter of a minor noble wins Alexander's heart and will commit any crime to secure her place at his side Within a few short years Alexander controls an empire more vast than the civilized world has ever known But his victories are tarnished by losses on the battlefield and treachery among his inner circle And long after Alexander is gone the women who are his champions wives and enemies will fight to claim his legacy  
CONVERSATION GUIDE INCLUDED **Queen of the Conqueror** Tracy Joanne Borman, 2012-04-03 NEW YORK TIMES BESTSELLER Around the year 1049 William Duke of Normandy and future conqueror of England raced to the palace of Baldwin V Count of Flanders The count's eldest daughter Matilda had refused William's offer of marriage and publicly denounced him as a bastard Encountering the young woman William furiously dragged her to the ground by her hair and beat her mercilessly Matilda's outraged father immediately took up arms on his daughter's behalf But just a few days later Baldwin was aghast when Matilda still recovering from the assault announced that she would marry none but William since he must be a man of great courage and high daring to have ventured to come and beat me in my own father's palace Thus began the tempestuous marriage of Matilda of Flanders and William the Conqueror While William's exploits and triumphs have been widely chronicled his consort remains largely overlooked Now in her groundbreaking *Queen of the Conqueror* acclaimed author and historian Tracy Borman weaves together a comprehensive and illuminating tapestry of this noble woman who stood only four foot two and whose role as the first crowned Queen of England had a large and lasting influence on the English monarchy From a wealth of historical artifacts and documents Matilda emerges as passionate steadfast and wise yet also utterly ruthless and tenacious in pursuit of her goals and the only person capable of taming her formidable husband who unprecedented for the period remained staunchly faithful to her This mother of nine including four sons who went on to inherit William's French and English dominions confounded the traditional views of women in medieval society by seizing the reins of power whenever she had the chance directing her husband's policy and at times flagrantly disobeying his orders Tracy Borman lays out Matilda's remarkable story against one of the most fascinating and transformative periods in

European history Stirring richly detailed and wholly involving Queen of the Conqueror reveals not just an extraordinary figure but an iconic woman who shaped generations and an era that cast the essential framework for the world we know today Praise for Queen of the Conqueror Tracy Borman brings to life Queen Matilda's enormous accomplishments in consolidating early Norman rule Alongside her warrior husband William I Matilda brought legitimacy a deeper degree of education diplomatic savvy and artistic and religious flowering to the shared Norman English throne Borman the chief executive of Britain's Heritage Education Trust fleshes out the personality of this fascinating woman who set the steely precedent for subsequent English female sovereigns by displaying great longevity and stamina in a rough paternalistic time A richly layered treatment of the stormy reign that yielded the incomparable Bayeux Tapestry and the Domesday Book Kirkus Reviews Tracy Borman tells this story with a steady eye and a steady hand tracing what can be known of Matilda's part in the events that were to change the course of English history Helen Castor Literary Review
