The Constitution Of The United States An Unfolding Story:

A Companion to the United States Constitution and Its Amendments John R. Vile, 2015-03-03 Now in its sixth edition with coverage of major Supreme Court decisions through the end of the 2013 2014 term this book remains a key source for students professors and citizens seeking balanced up to date information on the Constitution its amendments and how they have been interpreted A document that is well past two centuries old the U S Constitution remains as relevant and important today as during the time of our country s founding Now in its sixth edition this single volume work offers a fair non partisan treatment of one of the most important documents in American history The book begins with introductory background information on the U S Constitution and the Declaration of Independence and then presents a clause by clause explanation of the Constitution from the preamble through all of its amendments addressing how each has been interpreted by the U S Supreme Court and other institutions throughout U S history This fully updated edition of A Companion to the United States Constitution and Its Amendments incorporates numerous new developments in the four years since the previous edition including the appointments of new Supreme Court justices impactful cases involving First Amendment rights for students the Affordable Care Act National Security Agency NSA data gathering voting rights campaign finance law DNA sampling and the ongoing battle over gay rights As with the previous editions John R Vile provides a balanced and thorough treatment that identifies key Supreme Court decisions and other interpretations of the document while abstaining from unnecessarily complex and confusing explanations The Constitution of the United States Joseph T. Keenan, 1988 This book should be of interest to undergraduate courses in political science **Intergovernmental Perspective** , 1985 Each issue concentrates on a different topic **Constitutional Law for a Changing America** Lee Epstein, Thomas G. Walker, 2001 Exploring the full range of civil rights and liberties guaranteed by the U S Constitution Constitutional Law for a Changing America Rights Liberties and Justice has been updated throughout to include Supreme Court decisions handed down through June 2000 and to take into account recent events in the legal and political environment New to this edition are a chapter on the Second Amendment and the right to bear arms boxes that compare and contrast the U S legal system with systems abroad and Aftermath sidebars that revisit well known litigants for a glimpse of how their cases affected their lives

Corwin & Peltason's Understanding the Constitution Edward Samuel Corwin, Jack Walter Peltason, Sue Davis, 2000 For over fifty years UNDERSTANDING THE CONSTITUTION has helped students understand and interpret the document that outlines America s fundamental rules and government structures Always current and concise this textbook is an indispensable supplement for courses in Constitutional Law Judicial Process Civil Liberties and Introductory American Government Commentaries on the Constitution of the United States Joseph Story, 1891 A Critical Dictionary of English Literature and British and American Authors, Living and Deceased Samuel Austin Allibone, 1870 A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the Earliest Accounts to the
