The Contemporary Cinema, 1945-1963 Penelope Houston, 1971 **A Certain Tendency of the Hollywood Cinema, 1930-1980** Robert B. Ray, 2020-07-21 Robert B Ray examines the ideology of the most enduringly popular cinema in the world the Hollywood movie Aided by 364 frame enlargements he describes the development of that historically overdetermined form giving close readings of five typical instances *Casablanca* *It's a Wonderful Life* *The Man Who Shot Liberty Valance* *The Godfather* and *Taxi Driver* Like the heroes of these movies American filmmaking has avoided commitment in both plot and technique Instead of choosing left or right avant garde or tradition American cinema tries to have it both ways Although Hollywood's commercial success has led the world audience to equate the American cinema with film itself Hollywood filmmaking is a particular strategy designed to respond to specific historical situations As an art restricted in theoretical scope but rich in individual variations the American cinema poses the most interesting question of popular culture Do dissident forms have any chance of remaining free of a mass medium seeking to co-opt them

Rethinking Popular Culture Chandra Mukerji, Michael Schudson, 1991-07-09 *Rethinking Popular Culture* presents some of the most important current scholarship analyzing popular culture Drawing upon recent developments in cultural theory and exciting new methods of critical analysis the essays in this volume break down disciplinary boundaries and offer fresh insight into popular culture Blackout Antonia Caroline Lant, 2014-07-14 The most universal civilian privation in World War II Britain the blackout possessed many symbolic meanings Among its complicated implications for filmmakers was a stigmatization of film spectacle including the display of Hollywood women whose extravagant appearance connoted at best unpatriotic wastefulness and at worst collaboration with the enemy Exploring the wartime breakdown of conventional gender roles on the screen and in the audience Antonia Lant demonstrates that many British films of the period signaled their national cinematic identity by diverging from the notion of the Hollywood star the mainstay of commercial American motion pictures replacing her with a deglamourized mobilized heroine Nevertheless the war machine demanded that British films continue to celebrate stable and reassuring gender roles Contradictions abounded both within film narratives and between narrative and real life Analyzing films of all the major wartime studios the author scrutinizes the efforts of realist and melodramatic texts to confront women's wartime experiences including conscription By combining study of contemporary posters advertisements propaganda notices and cartoons with consideration of recent feminist theoretical work on the cinema spectatorship and history she has produced the first book to examine the relationships among gender cinema and nationality as they are affected by the stresses of war Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich

scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Cinematics Paul Weiss, 1975 Paul Weiss continues the brilliant analysis of art he began in *The World of Art and Nine Basic Arts* herein the medium of film at which he takes a close and independent look Writing in a vigorous jargon free style and covering all aspects of films and film making Mr Weiss presents a fresh new approach to the study of our newest art During the course of writing *Cinematics* Mr Weiss asked various writers critics scholars and producers long involved with film to read and remark on what he had written Five of them Eric Sherman Joseph Williman Arthur Knight David Slavitt and Robert Thom provided comments which are incorporated in the text Their remarks are often trenchant and perceptively provocative These men frequently comment on lines of inquiry suggested in the book and often take issue with what has been said The result is a kind of dialogue crisscrossed with stimulating insights While this book is aimed at the general reader Mr Weiss hopes that experts and practitioners of film making will benefit from this fresh independent and philosophically based inquiry Readers already familiar with Mr Weiss's writings will delight in this distillation of his thought on an art so intimately a part of our culture
