The Contemporary Television Series Michael Hammond, Lucy Mazdon, 2005 Offering an engaging and provocative study of the contemporary prime time quality serial television format this book gives a timely account of prominent examples of the genre such as The X Files The Sopranos and The West Wing and explores their influential position within the television industry

Contemporary Television Series Valentina Marinescu, Silvia Branea, Bianca Mitu, 2014 This volume proposes an interdisciplinary and multicultural approach of old concepts like fiction reality and narrativity applied to actual worldwide television series

Complex TV Jason Mittell, 2015-04-10 A comprehensive and sustained analysis of the development of storytelling for television Over the past two decades new technologies changing viewer practices and the proliferation of genres and channels has transformed American television One of the most notable impacts of these shifts is the emergence of highly complex and elaborate forms of serial narrative resulting in a robust period of formal experimentation and risky programming rarely seen in a medium that is typically viewed as formulaic and convention bound *Complex TV* offers a sustained analysis of the poetics of television narrative focusing on how storytelling has changed in recent years and how viewers make sense of these innovations Through close analyses of key programs including The Wire Lost Breaking Bad The Sopranos Veronica Mars Curb Your Enthusiasm and Mad Men the book traces the emergence of this narrative mode focusing on issues such as viewer comprehension transmedia storytelling serial authorship character change and cultural evaluation Developing a television specific set of narrative theories *Complex TV* argues that television is the most vital and important storytelling medium of our time

Contemporary Television Series Silvia Branea, Bianca Mitu, 2014-06-19 *Contemporary Television Series Narrative Structures and Audience Perception* proposes an interdisciplinary and multicultural approach of old concepts like fiction reality and narrativity applied to actual worldwide television series The authors that have contributed to this volume analyze the almost invisible barriers between fiction and reality in television series from different perspectives The results of their studies are extremely interesting and revealing The new perspectives offered by this volume will be of great interest to any scholar of European and international studies because they bring to light new ideas new methodologies and results that could be further developed This volume allows readers to explore these unique insights even if they are not senior researchers and to easily digest the content and also to acknowledge the impact of the viewing of television series on reality and on their own lives

Time, Technology and Narrative Form in Contemporary US Television Drama JP Kelly, 2017-10-09 This book examines how television has been transformed over the past twenty years by the introduction of new viewing technologies including DVDs DVRs and streaming services such as Netflix Hulu and Amazon Prime It shows that these platforms have profoundly altered the ways we access and watch television enabling viewers to pause rewind record and archive the once irreversible flow of broadcast TV JP Kelly argues

that changes in the technological landscape of television has encouraged the production of narrative forms that both explore and embody new industrial temporalities Focusing on US television but also considering the role of TV within a global marketplace the author identifies three distinct narrative temporalities acceleration 24 Prison Break complexity Lost FlashForward and retrospection Mad Men Through industrial textual analysis of television shows this cross disciplinary study locates these narrative temporalities in their socio cultural contexts and examines connections between production distribution and narrative form in the contemporary television industry **Thinking Outside the Box** Gary R.

Edgerton,Brian Geoffrey Rose,2005-01-01 Thinking Outside the Box brings together some of the best and most challenging scholarship about TV genres exploring their genesis their functions and development and the interaction of disparate genres The authors argue that genre is a process rather than a static category and that it signifies much about the people who produce and watch the shows In addition to considering traditional genres such as sitcoms soap operas and talk shows the contributors explore new hybrids including reality programs teen oriented science fiction and quality dramas and examine how many of these shows have taken on a global reach Identifying historical continuities and envisioning possible trends this is the richest and most current study of how television genres form operate and change **Composing TV Drama** Marco

Ianniello,2024-08-19 In this book Marco Ianniello investigates the complex art of television drama screenwriting arguing that the screenplay itself rather than the final product is at the heart of the current success of the genre Bridging a crucial gap between theory and practice through textual analyses of various case studies Ianniello expands on television story structure theory and screenwriting practice by foregrounding story construction and character development in the serial drama The development of these key frameworks structure and character will enable both screenwriting scholars and practitioners to better identify assess critique and craft the complexities of the television drama screenplay **Cult Telefantasy Series** Sue

Short,2011-07-25 From The Prisoner in the 1960s to the more recent Heroes and Lost a group of television series with strong elements of fantasy have achieved cult status Focusing on eight such series this work analyzes their respective innovations and influences Assessing the strategies used to promote cult appeal it also appraises increased opportunities for interaction between series creators and fans and evaluates how television fantasy has utilized transmedia storytelling Notable changes within broadcasting are discussed to explain how challenging long form dramas have emerged and why telefantasy has transcended niche status to enjoy significant prominence and popularity **Working Papers Film & TV studies - WP**

2011/1: Gay representation, queer resistance, and the small screen Frederic Dhaenens,2011 Drawing on the fruitful insights of queer theory this study departs from the notion that popular culture can function as articulations of resistance to the discourse of heteronormativity that is being reiterated and consolidated in popular culture products In particular this study focuses on the potential of gay representation representations of those who are identified and or self identify as gay lesbian or bisexual in contemporary television fiction to resist heteronormative institutions practices norms and values

Diasporic Encounters in German Social Drama: A Spatial Approach to Representations of the Turkish Diaspora in German Television Films Emrah Yalcin, 2021-02-09 Contemporary television fictions allow the audience to experience the reality of everyday life in audio visual spaces Thus controversial issues discussed in German society such as homosexuality racism or clashes of cultures are revisited in the social drama films produced for German television through a mixture of generic conventions such as tragedy thriller and melodrama Consequently the audio visual representations of the people who are the focus of these discussions represent an interesting area of research The book deals with the audio visual spatiality of the Turkish diaspora in Berlin in three contemporary TV films in this format namely Wut Range dir Zuli Alada 2006 Die Neue The Newcomer dir Buket Alaku 2015 and Nachspielzeit Extra Time dir Andreas Pieper 2015 Therewith it brings a spatial approach to the issue of polemical belonging of the Turkish Diaspora to the German national space within the audio visual context The proposed spatial approach presents an alternative argument to the assumptions of German politicians who celebrate a common German history that bases on Christian Jewish identity democracy and enlightenment

The Cognitive Impact of Contemporary Television Series, 2024-11

Television Aesthetics and Style Steven Peacock, Jason Jacobs, 2013-07-04 Although Film Studies has successfully re turned attention to matters of style and interpretation its sibling discipline has left the territory uncharted until now The question of how television operates on a stylistic level has been critically underexplored despite being fundamental to our viewing experience This significant new work redresses a vital gap in Television Studies by engaging with the stylistic dynamics of TV exploring the aesthetic properties and values of both the medium and particular types of output specific programmes and raising important questions about the way we judge television as both cultural artifact and art form Television Aesthetics and Style provides a unique and vital intervention in the field raising key questions about television s artistic properties and possibilities Through a series of case studies by internationally renowned scholars the collection takes a radical step forward in understanding TV s stylistic achievements
