A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most

relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Resurrection of Jesus Christ B. Lee

Ligon-Borden, Ph.D.,2013-10-10 Dr Ligon Borden displays superior knowledge of the canonical Gospels and harmonizes the four resurrection scenes with insight and care In this day when other scholars delight to find as many alleged contradictions as they can in Holy Scripture it is encouraging to find one who manages the problems well and demonstrates not only the unity of the Gospel writers but also the basic message of each one and how that lends itself to the telling of the story of the resurrection Like a Who Done It movie where each scene reveals more you will at first with apprehension be confronted with the differences of the eyewitnesses but also thrill that they do not contradict one another Once the details are put together the Gospel writers give various pictures of the Incarnate Son of God Truly we have Four Views One Truth I commend this easy to read mosaic to all who love our Lord You will be greatly encouraged

Women, Men, and the Trinity Nancy Hedberg,2010-04-01 There is a gridlock in churches today regarding the role of women This debate extends beyond the relationship between men and women In 1 Corinthians 11:3 when Paul says the head of woman is man and the head of Christ is God he is drawing a parallel between the relationship of men and women and the relationship of the Father and the Son within the Trinity This book explores the controversial theological premise that while maintaining equality of essence functionally the Son is eternally subordinate to the Father and women are permanently subordinate to men Nancy Hedberg shares from her research and personal experience to make the case that equality of essence on the one hand and permanent functional subordination on the other whether applied to the Trinity or the relationship between men and women is a questionable premise and is not supported logically historically or biblically Women Men and the Trinity includes contemporary historical and biblical research regarding functional and essential equality and explores the practical implications of true equality
