**Aeterna** Jordan Cooper,2017-03-09 Martin Luther s theological revolution depended in a significant part upon the distinction between law and gospel Within the last hundred years several authors have reevaluated the reformer s understanding of this paradigm in light of its development within the Lutheran orthodox tradition Some authors have argued that the Lutheran scholastic view of God s law departs from that of Luther Specifically it is contended that the Lutheran orthodox argued for a definition of the law which defines it as God s eternal will in contradiction to Luther s approach wherein the law is defined almost exclusively in negative terms as a temporal order to eventually be replaced and superseded by the gospel In this work Jordan Cooper argues for the continued validity of the Lutheran orthodox definition of the law Throughout this text he contrasts the perspective of Radical Lutheran theologians like Gerhard Forde with that of earlier Lutheran writers such as Martin Chemnitz and Johann Gerhard It is argued that Forde s view is inadequate to address contemporary ethical and pastoral issues and that the Lutheran scholastic doctrine of the law as God s eternal will remains a necessary concept for the contemporary church Who's who in Religion ,1992 Windows Into the Lectionary Donald L.
