### **America Tees Off** David Sowell, 2025-12

In 1887 a linen salesman from New York City visited the Old Course at St Andrews Scotland considered to be the oldest golf course in the world While there he visited the shop of golf legend Old Tom Morris He purchased six clubs and some balls Soon after his return home this purchase triggered a golf explosion that would soon see America not only take up the game but also take it over America Tees Off tracks golf's impact on the country and the game since this historic purchase with dozens of wide ranging stories from when the game first took hold in the United States to the present day These stories cover both the great amateur and professional players as well as the golf adventures of average players and the not so average like U.S. presidents athletes in other sports Hollywood stars and the mega wealthy You'll read about what was thought to be a highly questionable land purchase in the Sandhills of North Carolina in 1895 that led to the golf mecca of Pinehurst how Babe Didrikson Zaharias' husband used his cigar to give her assistance during tournament play and how the scientist who worked on the atomic bomb at Los Alamos helped President Eisenhower improve his game America Tees Off also covers the effect of American ingenuity on the game's equipment and how the sport was televised These lesser known behind the scenes true stories will entertain and inform the most serious golf enthusiasts as well as those just getting into the sport's colorful history

**Opting for the Best** Douglas W. Portmore, 2019 When making decisions we ought to choose the option that is best in terms of what ultimately matters However knowing what ultimately matters is not always enough when it comes to knowing what we ought to do In Opting for the Best Douglas Portmore examines the questions that remain after we have determined what matters In doing so he engages with some of the most complex puzzles concerning what we ought to do including those involving supererogation indeterminate or overdetermined outcomes predictable future misbehavior among others
