Telling Lies in Modern American Autobiography Timothy Dow Adams, 1990-01-01 This collection of twelve essays discusses the principles and practices of women's autobiographical writing in America, England, and France from the eighteenth to the twentieth centuries

Telling Lies in Modern American Autobiography Timothy Dow Adams, 2017-10-10 All autobiographers are unreliable narrators. Yet what a writer chooses to misrepresent is as telling, perhaps even more so, as what really happened. Timothy Adams believes that autobiography is an attempt to reconcile one's life with one's self, and he argues in this book that autobiography should not be taken as historically accurate but as metaphorically authentic. Adams focuses on five modern American writers whose autobiographies are particularly complex because of apparent lies that permeate them. In examining their stories, Adams shows that lying in autobiography, especially literary autobiography, is not simply inevitable. Rather, it is often a deliberate, highly strategic decision on the author's part. Throughout his analysis, Adams's standard is not literal accuracy but personal authenticity. He attempts to resolve some of the paradoxes of recent autobiographical theory by looking at the classic question of design and truth in autobiography from the underside, with a focus on lying rather than truth. Includes close studies of several French and American works and a bibliographic essay. Annotation copyright by Book News, Inc., Portland, OR.
