## **The Descent:**

The Descent of Man, and Selection in Relation to Sex Charles Darwin,1871      **Barth on the Descent into Hell** David Lauber,2017-09-29 The Christian confession that Jesus Christ descended into hell has been variously misunderstood or simply neglected by the Church and dogmatic theology This work is a significant retort to dogmatic forgetfulness and ecclesial misunderstanding It succeeds in doing so by offering a close reading and critical analysis of Karl Barth s treatment of the descent into hell and its relation to his extraordinary theology of the atonement The reach of David Lauber s work is extended by placing Barth in conversation with Hans Urs von Balthasar s innovative theology of Holy Saturday In revealing and unexpected ways this book casts light upon the ecumenical breadth of Barth s theology It is a valuable interpretation of significant facets of Barth s doctrine of God reflection upon the passion of Jesus Christ and ethics In addition Lauber offers a constructive theological proposal for how the descent into hell affects the theological interpretation of Scripture the trinitarian being and activity of God and the non violent and authentic shape of Christian life and witness before our enemies
