

The Balkans

Barbara Jelavich

The Balkans:

The Balkans Since 1453 Leften Stavros Stavrianos, 2000 This work aims to synthesize literature on Balkan topics since World War I and demonstrate the importance of Balkan history by examining it in the context of European and world history It uses imperial and local approaches providing national histories as well as contextualising the subject **The Balkans Beyond Nationalism and Identity** Pavlos Hatzopoulos, 2007-12-19 For decades we have come to accept that nationalism formed the basis of the modern history of the Balkans In this bold and controversial study Pavlos Hatzopoulos turns this assumption on its head Through a ground breaking examination of the non nationalist ideologies in the Balkans during the interwar period Hatzopoulos calls into question the supposedly inherent connection between the Balkans and nationalism and argues that nationalism does not form the sole ordering principle of the modern history of the Balkan region Focusing on the ideologies of communism liberal internationalism and agrarianism Hatzopoulos examines how these interact with nationalist ideology He demonstrates how non nationalist theories challenge the nationalist view of the Balkans as the sum of several national spaces He even questions the nationalist understanding of the very term the Balkans **The Balkans Beyond Nationalism and Identity** revisits contemporary debates on a region that is still a European crisis point and challenges the nation centric understanding that permeates it In proposing a description of the Balkans as a contested political concept the book argues for a completely fresh interpretation of the region's composition **The Balkans** Mark Biondich, 2011-02-17 Examines the origins of political violence in the Balkans since the 19th century while treating the region as an integral part of modern European history reminding us that political violence and ethnic cleansing are hardly unique to this region **The Balkans, Ethnic and Cultural Crossroads** Maria Couroucli, Council of Europe. Council for Cultural Co-operation, 1997-01-01 On cover Education culture On title page Democracy human rights minorities educational cultural aspects **Imagining the Balkans** Maria Todorova, 2009-04-15 Imagining the Balkans examines how an innocent geographic appellation was transformed into a powerful and widespread pejorative designation In a new afterword Maria Todorova discusses the reaction to her dubbing of the term Balkanism and recent events in the Balkans **With the Armies of the Balkans and at Gallipoli in 1877-1878** John Cookson Fife Cookson, 1879 **History of the Balkans: Volume 1** Barbara Jelavich, 1983-07-29 Volume I discusses the history of the major Balkan nationalities It describes the differing conditions experienced under Ottoman and Habsburg rule but the main emphasis is on the national movements their successes and failures to 1900 and the place of events in the Balkans in the international relations of the day *The Balkans in International Relations* Branimir M Jankovic, Bosko Milosavljevic, 1988-04-06 **Under the Balkans** Robert Jasper More, 1877 **The Balkans** Misha Glenny, 2000 In a survey of Balkan history since the early nineteenth century Misha Glenny provides the essential background to recent events in this war torn area No other book covers the entire region and offers such profound insights into the roots of Balkan violence or explains so vividly the origins of modern Serbia Croatia

Bosnia Greece Bulgaria Romania and Albania Many readers will welcome the author's insights into the final century of Ottoman rule a complex and colorful period essential for understanding today's conflicts Glenny's account of each national group in the Balkans and its struggle for statehood is lucid and fair minded and he brings the culture of different nationalisms to life The narrative is permeated with sharply observed set pieces and portraits of kings guerrillas bandits generals and politicians He interweaves a narrative of key events with the story of international affairs the relations between states in the Balkans and between them and the great powers
