The Art of Surrender, 2007 **The Art of Surrender** K. Gibson, 2017-07-09

The concept of surrender to God is not often spoken of in churches or discipleship meetings but I consider it to be of extreme importance to the life and spiritual growth of every Christian Songs like I surrender all have often irritated me because what does it mean to surrender absolutely everything that we are into the hands of God and how do we do so in a real deliberate holding nothing back way It seems to me that simply repeating that one short sentence is not what it means to surrender ourselves to God And if we could come to a place of authentic surrender of ourselves to God what a difference that would make to our lives our mindsets our friendships our decisions our everyday activities This project The Art Of Surrender TAOS leads us to prayerfully ponder this idea of surrender to consider the cost and the commitment and the potential impact and to practice it Each chapter leads us to think about surrendering to God a different area of our lives and each chapter ends in a prayer These prayers could be seen as a challenge having considered the impact and counted the cost do we dare to pray a prayer of surrender to God do we really choose to give over to Him that part of our lives The layout of this project uses a metaphor of the human body each section is connected to a body part This may sound strange and some chapters could arguably be attributed to more than one body part but I have found this image helpful and I pray that you might benefit from it too The Art of Surrender is not a story by which each chapter follows on directly from the last but an exercise a meditation a way of life I encourage you do not read two chapters in one sitting without praying for a while in between Do not simply read one chapter after another like any other book This is not a book to be simply read and absorbed but to be lived practiced reflected upon Do reflect Pray Think Surrender There are fifty chapters some longer than others so if it would be useful to you perhaps read a chapter each week and spend time during the week pondering what you have read and putting it into practice surrendering to God This way it should last a year with a week off for Christmas and Easter to reflect upon other relevant and important things Or read a chapter a day if you have time and allow God to speak to you throughout each day as you reflect upon what you have read and understood Or pick it up and put it down when you feel like it or have the time or feel led Use it in a way that suits you and may God bless you abundantly in your journey with Him
