El ingenuo

Ingenuo El

Anne Eller

Ingenuo El:

El ingenuo y otros cuentos Voltaire, 1998-09 Voltaire considerado como una de las personalidades más brillantes y provocadoras de su época fue un luchador infatigable contra la intolerancia un defensor de la Ilustración y un agitador de conciencias demasiado satisfechas y adormiladas Sus cuentos son posiblemente la mejor contribución que nos ha dejado con unos personajes que siguen despertando en nosotros la curiosidad y la perplejidad nos hacen dudar de cosas ya sabidas o bien afirmarnos en otras que pensamos Las historias que recoge este volumen *El ingenuo* *Micromegas* *Historia de los viajes de Escarmentado* y finalmente *Historia de un buen brahmán* constituyen una buena y ejemplar selección de la capacidad narrativa y filosófica de este excelente pensador

We Dream Together Anne Eller, 2016-12-09 In this thorough social and political history Anne Eller breaks with dominant narratives of the history of the Dominican Republic and its relationship with Haiti by tracing the complicated history of its independence between 1822 and 1865 showing how the Dominican Republic's political roots are deeply entwined with Haiti's

Mist Miguel de Unamuno, 2014 *Mist* *Niebla* published in 1914 is one of Miguel de Unamuno's key works a truly Modernist work of Europe-wide significance which aims to shatter the conventions of fiction using the novel as a vehicle for exploration of philosophical themes The plot revolves around the character of Augusto a wealthy intellectual and introverted young man and his love affair with Eugenia which eventually ends in heartbreak Augusto decides to kill himself but decides that he needs to consult Unamuno himself who had written an article on suicide which Augusto had read When Augusto speaks with Unamuno the truth is revealed that Augusto is actually a fictional character whom Unamuno has created Augusto is not real Unamuno explains and for that reason cannot kill himself Augusto asserts that he exists even though he acknowledges internally that he doesn't and threatens Unamuno by telling him that he is not the ultimate author Augusto reminds Unamuno that he might be just one of God's dreams Augusto dies and the book ends with the author himself debating to himself about bringing back the character of Augusto He establishes however that this would not be feasible Following on from his translation of Abel Sanchez John Macklin's edition provides a much needed new English translation alongside the Spanish text together with a substantial introduction

Operation Massacre Rodolfo Walsh, 2013-08-20 1956 Argentina has just lost its charismatic president Juan Perón in a military coup and terror reigns across the land June 1956 eighteen people are reported dead in a failed Peronist uprising December 1956 sometime journalist crime fiction writer studiously unpoliticized chess aficionado Rodolfo Walsh learns by chance that one of the executed civilians from a separate secret execution in June is alive He hears that there may be more than one survivor and believes this unbelievable story on the spot And right there the monumental classic *Operation Massacre* is born Walsh made it his mission to find not only the survivors but widows orphans political refugees fugitives alleged informers and anonymous heroes in order to determine what happened that night sending him on a journey that took over the rest of his life Originally published in 1957 *Operation Massacre* thoroughly and breathlessly recounts the night of the execution and its fallout El

juego de Poder Gonzalo Manco, 2024-12-18 El juego de Poder es un análisis profundo y provocador sobre cómo las dinámicas del poder influyen en nuestras sociedades A través de ejemplos históricos y modernos el autor examina las estrategias de los actores involucrados el Estado las empresas y los ciudadanos La pregunta central es cómo las reglas del juego ya sea en un entorno político económico o social son manipuladas o respetadas en función de los intereses de quienes tienen el poder de influir en ellas Este libro no solo es un manual sobre teoría política sino también una llamada a la acción para que los ciudadanos adquieran mayor conciencia sobre su papel en el juego social El autor nos anima a reflexionar sobre cómo podríamos rediseñar las reglas del juego para crear una sociedad más justa y cooperativa donde el poder no sea un privilegio de unos pocos sino una herramienta para el bienestar de todos A lo largo de sus páginas el lector es guiado por escenarios que exploran las consecuencias de la justicia eficiente versus la justicia corrupta y cómo la conciencia individual puede ser una fuerza poderosa para el cambio social Con una prosa clara y un análisis accesible pero profundo El juego de Poder ofrece una lectura cautivadora que atraerá tanto a los interesados en la política y la filosofía social como a aquellos que buscan entender mejor las estructuras que nos rodean Una obra que invita a repensar el equilibrio de poder en la sociedad y que promete dejar al lector con una visión más clara de los mecanismos que lo sostienen
