**Dream Awakening** David W. Letts,2012-08 All that has happened in the past all of Earth s history man has created in his dream and the end of time will come when man wakes up and realizes he has been dreaming Suddenly a young family wrests themselves from life in a North American city to seek a rustic existence close to nature and a circle of new friends in mountain valleys of British Columbia But that is only one of the levels to this story For David and Kelly Siofra are a mystic and a psychic on an out of the ordinary quest inspired by higher energy presences Moita and Amar How will their experiment in communication between worlds illuminate the process of planetary rebirth that will accelerate years later in the awakening of 2012 and beyond This time period is at crossroads Paths before you lead into the future some not pleasant some extremely promising We are here to help you choose the road that leads not to destruction but that leads to life and to this change of man and his awareness to the reuniting of our worlds Among facets of this visionary yet down to earth adventure helping persons in crisis to unlock their hearts find their new balance deepening our sense of community as a core group risks old selves in order to truly meet confronting dark energies across lifetimes undoing man s obsession with power seeing that the planet s upheavals now mirror our own as a vast evolution in consciousness comes full circle aided by higher dimensional beings and the Earth Mother voicing her plea for man to awaken as a willing partner We are entering a New Age of humanity Instead of man creating only on his own set apart from the rest of the universe this time he is involved in a co creation and we are the co creators Those who are here have arrived to help found a new world Hildegarde's Holiday
