What she didn't count on was her main competition sweeping her off her feet Trace Coleman isn't really after a title he needs the cash prize to buy his dream ranch. But one sexy determined cowgirl keeps getting in his way. In his effort to take her out of the running he risks losing both the title and his heart. They're Both in For a Little Surprise. Everybody's world is turned upside down when a pint sized bundle of joy gets dropped right into Trace's lap and suddenly all the stakes are higher. Praise for Carolyn Brown. **After She Falls** Carmen Schober, 2021-11-02 Schober delivers a knockout debut. *After She Falls* is refreshingly unique and well written. While the journey of faith and healing is set against the backdrop of the MMA, Schober's story world and characterization are vivid and evocative. RACHEL HAUCK New York Times bestselling author. She's always had that fire in her. She just needs to find it again. Strong-willed Adri Rivera nearly achieved her goal of being a professional mixed martial artist but then she fell in love with a man who knocked all the fight out of her. When their abusive, tumultuous relationship finally comes to a head, Adri flees with their young daughter to her small hometown in the mountains of Pennsylvania. There she must face the people she left behind and put her broken life back together again. A hardened Max Lyons can't believe Adri is back in town after abruptly cutting him and everyone else off years ago. Despite the distance that grew between them, he feels compelled to help her regain her independence and offers her a job at his gym. But regaining each other's trust is another matter made even more complicated by the lingering spark between them. As Adri dares to pursue her dream again, she trains for a big tournament with Max's help but they'll both have to confront their own doubts in order to rise victorious. Anyone who has watched a sports movie knows that the underdog will prevail. Romance readers know that love wins and Christian fiction readers know that God is bigger than any problem. Schober's debut novel is unique for being a blend of the three.
