

A high-contrast, black and white photograph of a martini glass. The glass is tilted, and a large, dynamic splash of liquid is erupting from the rim, creating a complex, crystalline shape. Two olives are visible inside the glass, partially submerged in the liquid. The background is a solid, deep black, which makes the white highlights of the liquid splash and the glass stand out. The overall mood is sophisticated and energetic.

Stirred Not Shaken:

Stirred, Not Shaken John Doxat, 1976 **Hardmen** Malcolm Andrews, 2012-08-01 When the going gets tough the tough get tougher The ranks of rugby league around the world have been liberally peppered with hardmen With violence that would never be tolerated off the footy field the game has always been rough tough and dangerous Stiff arm tackles headbutts spear tackles all aimed at maiming the opposition players were once just part of the game But while the thuggery of old has been cleaned up the modern game of huge hits at breakneck speed is definitely no place for the faint hearted Fans in pubs and clubs have always talked about the courage of their favourite sons men who never took a backward step like legendary South Sydney captain John Sattler who played through the 1970 Premiership grand final with his jaw broken in three places and Bumper Farrell who was accused of biting off the ear of an opponent as he simultaneously gouged his eyes In more recent times Andrew Johns orchestrated Newcastle's 1997 grand final success with a punctured lung and three broken ribs and pint sized Gold Coast star Preston Campbell picked up a broken jaw early in the game but hid it from team mates until the final whistle But Hardmen is much more than a collection of bone crunching collisions and wild confrontations As Malcolm Andrews vivid profiles of the most courageous and colourful dramatically unfold from those who played on with broken legs in early times to the fast and furious high impact of today we see both the fascinating evolution of the game and the fiercely resolute qualities that have steadfastly remained at its heart Simply put Hardmen captures the unique spirit of rugby league with the greatest collection of ripping yarns ever published in a single volume I always enjoyed the game more when there was a body or two lying about It made my job a bit more interesting Vince Karalius It was a real bloodbath John O'Neill got 16 stitches in one of his shins It was huge gaping wound with blood everywhere But he still couldn't keep the grin off his face Father John Cootes *Dictionary of the English Language* Samuel Johnson, 1872 *The household English dictionary* English dictionary, 1872 Martini, stirred not shaken Marijke van den Elsen, 2013-06-29 De meeste mensen in haar omgeving vinden Marte een ijskonijn Als ze van haar zusje Fieke een lijst krijgt met ideeën om eens uit de band te springen gaat ze overstag Bij het ontzettend foute The Beachclub probeert ze een beetje los te komen Daarvoor heeft ze wel wat Martini's nodig **The New American Bartender's Guide** John J.
