Automotive Technician Training: Theory Tom Denton, 2014-04-16. A blended learning approach to automotive engineering at levels one to three. Produced alongside the ATT online learning resources, this textbook covers all the theory and technology sections that students need to learn in order to pass levels 1, 2 and 3 automotive courses. It is recommended by the Institute of the Motor Industry and is also ideal for exams run by other awarding bodies. Unlike the current textbooks on the market, though, this title takes a blended learning approach using interactive features that make learning more enjoyable as well as more effective. When linked with the ATT online resources, it provides a comprehensive package that includes activities, video footage, assessments, and further reading. Information and activities are set out in sequence so as to meet teacher and learner needs as well as qualification requirements. Tom Denton is the leading UK automotive author with a
