How To Become A Top Consultant How The Experts Do It:

How to Become a Top Consultant Ron Tepper,1987-02-24 Ten of today's top consultants explain why and how they left the 9 to 5 grind behind built new careers and became the best in their field. **Become a Top Consultant How the Experts Do it** What does it take to build a successful consulting practice? Ron Tepper asked ten consultants in a diverse range of fields and found the formula to be a winning blend of skills, specialized knowledge, strategy and technique. Now Tepper shows you how to build a consulting practice of your own simply by following the examples of these ten experts in engineering, data processing, government, accounting, management, sales, real estate and law. **Become A Top Consultant** takes you step by step through writing and submitting superior proposals, marketing your consulting services, setting fees, billing, getting help even moonlighting. You'll learn the basic concepts, practices, specialized skills and consulting requirements for each different field. Best of all, you'll identify easily with the consultants you'll meet: an accountant and a sales trainer, a civil engineer, a football player turned headhunter, a personnel accountant, an investment advisor who never finished college, and a former real estate salesman who's now a phenomenally successful attorney. They're all top consultants from all walks of life, the best in the business. And they all started out where you are today. **Become A Top Consultant** it's like having a live panel of consulting experts at your service, eager to help you launch your consulting career.

The Basic Principles of Effective Consulting

Linda K. Stroh,2019-02-05 Consultants are called upon more and more to help implement needed organizational changes, fill gaps in workforce capabilities and solve significant business problems. As the demand for consultants increases, it is critical that practitioners differentiate themselves and understand how they can be most successful for themselves and their clients. **The Basic Principles of Effective Consulting** details what effective consultants do and provides a step by step process of just how they do it. The Second Edition of **The Basic Principles of Effective Consulting** is fully updated with real life cases. End of chapter summaries foster both mastery and engagement as well as providing a quick reference throughout a consultant's career. In addition, each chapter includes a section *From the experts* written by successful consultants and users of consultants' services. These experts share ideas and tips about their own consulting experiences that relate to chapter material. The book is written for entry level and seasoned consultants, project managers, staff advisors and anyone who wants to learn or be reminded of the basic principles of effective consulting. The book is well suited as an excellent textbook for college courses on consulting, organizational training and a lifetime go to consultant's resource.
