**A Box Full of Darkness** Simone St. James, 2026-01-20 From the book's chillingly creepy setting which previously appeared in *The Sun Down Motel* 2020 to a nerve jangling plot that effectively borrows from a mix of genres to the writing itself which shimmers with a dazzlingly sharp sense of wit everything about St James latest is done to perfection Booklist starred review Simone St James the New York Times bestselling author of *The Sun Down Motel* returns with her scariest most shocking novel yet in this pulse pounding story about siblings who return to the house they fled 18 years before called back by the ghost of their long missing brother and his haunting request Come home Strange things happen in Fell New York A mysterious drowning at the town's roadside motel The unexplained death of a young girl whose body is left by the railroad tracks For the Esmie siblings Violet Vail and Dodie the final straw was the shocking disappearance of their little brother It started as a normal game of hide and seek The three closed their eyes and counted to ten while Ben went to hide But this time they never found their brother he was gone and the ongoing search efforts turned up no clues As their parents grew increasingly distant Violet Vail and Dodie were each haunted by visions and frightening events that made them leave town and never look back Violet still sees dead people spirits who remind her of Sister the menacing presence that terrorized her for years And now after two decades running from their past it's time for a homecoming Because Ben is back and he's ready to lead them to the answers they've longed for and long feared If the ghosts of Fell don't get to them first **A Box Full of Darkness** is another propulsive thriller from the author of *The Broken Girls* and *The Book of Cold Cases* a surprising horror story from a writer who is particularly gifted at doling out twists *The New York Times* **The Hangover Companion** Michael O'Mara Books, 2006 We've been suffering hangovers for as long as anyone can remember anyone who was sober last night that is not anyone who's currently sipping Lucozade in a darkened room with a basin by their side They can't even remember how they got home So if we've known about hangovers for so long how come we've never figured out how to put a stop to them Well you might be surprised to hear that we have A great deal of research has gone into the mystery of the hangover People are out there every night researching themselves legless in bars pubs and clubs all over the country They

try different combinations of drinks wine before beer then whisky beer before wine then whisky vodka before beer and then wine before whisky drinking standing up drinking sitting down eating before the drinking eating during the drinking eating after the drinking wine before sitting down vodka during the whisky and standing up eating in the beer the researcher's notes get a bit confused here The point is we know what causes hangovers the Devil He's trying to suck out your soul through your toilet and starts with everything you've had to eat in the last three days pituitary gland causing vasopressin inhibition dehydration and a toxic accumulation of acetaldehyde when the liver's production of glutathione is exhausted The scientists have all the answers and their ultimate solution to the hangover problem is don't drink But that's just crazy talk so maybe they're not so clever after all There are plenty of hangover cures from Prairie Oysters and Bloody Marys to burnt toast fried breakfasts and bananas but only a few of them do any good at all and some of them can actually do more harm than good banging yourself on the head with a dustbin lid for example or turning up for work Different things obviously will work better or worse for different people the trick is knowing what works best for you and Rough As A Badger's Arse gives a fair and unbiased assessment of all of the best hangover cures to guide you through the tough choices the world about the perils of the demon drink the odd drinking quote or ditty lots of hard facts to help you think your head straight and plenty of soft paper if your problem is mainly at the other end As good a pick me up as a JCB or a bucketful of Red Bull Rough As A Badger's Arse will have you ready to face your next session before you can say Mine's a Perrier So if that randy wild gorilla broke into your room last night while you were unconscious you know the one that scattered your clothes around wrecked your CD player stole all your money messed up your bed planted a traffic cone on your head left your front door open and emptied an ash tray into your mouth you really need this book
