## **The Guys:**

*Choosing Goodbye* Sue Langford, 2016-05-04 When Harlee met Jake she knew life would be different She had someone who loved her even with the crazy schedule and the tour stops She'd been left with one of the biggest decisions she'd ever have to make When she finally made it it meant she might just lose him altogether Schedules were always going to conflict but she thought it would've been easier Jake knew being with someone who was constantly on the road meant a lot of time alone and he expected it What he never expected was missing her so much the minute she had left Would he be able to stand being alone for months while she toured the country He thought diving into a new job would help but he only missed her more Grace thought she had it all She married the perfect guy and ended up having to make the hardest decision she'd ever made Watching Jake and Harlee was enough to make her see what she wanted but would the choice she made ruin any chance at being happy Mistakes are made lessons learned and heartache suffered but would the choice they made get them through it all A story of love on the road to happiness

Jeff Chu,2014-04-15 Fascinating thoughtful and important Jeff Chu captures the fractures and conflict at a moment when the issue of what to do with L G B T people is tearing Christian denominations apart Does Jesus Really Love Me deserves to be widely read Dan Savage New York Times Book Review In this timely work part memoir part investigative analysis a prize winning writer

explores the explosive and confusing intersection of faith politics and sexuality in Christian America. When Jeff Chu came out to his parents as a gay man his devout Christian mother cried. And cried. Every time she looked at him. For months. As a journalist and a believer Chu knew that he had to get to the heart of a question that had been haunting him for years. Does Jesus really love me? The quest to find an answer propels Chu on a remarkable cross country journey to discover the God forbidden to him because of his sexuality. Surveying the breadth of the political and theological spectrum from the most conservative viewpoints to the most liberal he tries to distill what the diverse followers of Christ believe about homosexuality and to understand how these people who purportedly follow the same God and the same Scriptures have come to hold such a wide range of opinions. Why does Pastor A believe that God hates me especially because of my gayness? Why does Person B believe that God loves me gayness and all? From Brooklyn to Nashville to California from Westboro Baptist Church and their god hates fags protest signs to the pioneering Episcopal bishop Mary Glasspool who proclaims a message of liberation and divine love Chu captures spiritual snapshots of Christian America at a remarkable moment when tensions between both sides in the culture wars have rarely been higher. Both funny and heartbreaking perplexing and wise Does Jesus Really Love Me is an intellectual emotional and spiritual pilgrimage that reveals a portrait of a faith and a nation at odds. *The Detective's Dilemma* Arlene James, 2014-02-28 Beth Maitland the most unconventional member of the Maitland clan is always up for an adventure.
