Seven Days of Faith, 2d Edition R. Paul Stevens,2021-10-07 These days people talk about their schedules filling up 24/7 twenty four hours a day seven days a week We wear busyness like a merit badge as if the more we do the better we become But R Paul Stevens says this is not biblical Nor is it helpful For Christians life isn't about checking off to do lists It's about connecting with God and infiltrating thoughtful biblical faith into our everyday lives Sometimes that means activity but sometimes not Everyday spirituality the subject of the book embraces purposeful times of work relationships and rest centered on God instead of personal or cultural expectations But how can you do it It's not easy exiting the fast track to practice a slowed down yet down to earth holiness Stevens understands this and offers practical insights to developing a subversive spirituality a meaningful faith that seeps into your work family sexuality friendships outreach aloneness and leisure and fills you with joy But most importantly it motivates you to lovingly abide with God seven days a

week Matthew the Poor an Eastern monk in Egypt once said that life is but one single way that leads to the kingdom of God
