## **The Hand Of Ethelberta:**

**The Novels of Thomas Hardy as a Product of Nineteenth Century Social, Economic, and Cultural Change** Birgit Plietzsch, 2004      **Thomas Hardy's Legal Fictions** Trish Ferguson, 2013-08-20 Explores Thomas Hardy's engagement with Victorian legal debates in his prose fiction Thomas Hardy's fiction is examined in this book in the context of the seismic legal reforms of the nineteenth century as well as legal discourse in the literature of the era The book examines the ways in which Hardy's role as a magistrate and his interest in the law impacted fundamentally on his prose fiction It demonstrates that throughout his prose fiction Hardy engages with contentious legal issues that were debated by legal professionals and literary figures of his day and argues that Hardy used fiction as a forum to question the extent to which legal reform improved the lives of women and the working classes The study also looks at the ways in which Hardy deployed criminal plots derived from sensation fiction and reveals that the genre's engagement with legal reform influenced not only his sensation novel *Desperate Remedies* 1871 but also the plots of his subsequent fiction      *Thomas Hardy: Art and Thought* Frank B Pinion, 1977-04-28      *Different Voices* Paola Partenza, Özlem Karadağ, Emanuela Ettorre, 2022-12-12 The concept of the human has been broadly re-visited and modified and the term posthuman has now become a term of continuous inquiry Gender representations play a critical role in works of literature culture and art and focusing on gender is crucial to uncovering the anthropocentrism or androcentrism that may underlie the work and the times to which it belongs While maintaining a solid literary emphasis the ten chapters included in this volume focus on feminist debates about women technology and the body on gender representation and the posthuman on post gender figurations on gender and trans post humanism biotechnology biopolitics bioethics on feminist posthumanism on animals the human machine and ecological posthumanism The aim of the volume is to analyse how useful these concepts may be for thinking about the subject its definition and identity in a changing society      **Patriarchy and Its Discontents** Joanna Devereux, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company      **Author Fictions** Ingo Berensmeyer, 2023-10-04 Fictional novelists and other author characters have been a staple of novels and stories from the early nineteenth century onwards What is it that attracts authors to representing their own kind in fiction *Author Fictions* addresses this question from a theoretical and historical perspective Narrative representations of literary authorship not only reflect the aesthetic convictions and social conditions of their actual authors or their time they also take an active part in negotiating and shaping these conditions The book unfolds the history of such author fictions in European and North American texts since the early nineteenth century as a literary history of literary authorship ranging from the Victorian bildungsroman to contemporary autofiction It combines rhetorical and sociological approaches to answer the question how literature makes authors Identifying author fictions as narratives that address the fragile material conditions of literary creation in the actual and symbolic economies of production Ingo Berensmeyer explores how these texts elaborate and manipulate concepts and models

of authorship This book will be relevant to English American and comparative literary studies and to anyone interested in the topic of literary authorship      **Ambivalence in Hardy** S. Dutta,2015-12-30 This book re examines the critical debate regarding Hardy s attitude to women apologist or misogynist With the help of manuscript evidence and references to Hardy s autobiography letters literary notebooks marginalia and the letters of his wives this book combines a biographical approach with a feminist reading Significant space is devoted to the minor novels the short stories and to Hardy s real life literary relations with his contemporary women writers his prot g es and his two scribbling wives to balance the hitherto exclusive focus on the major novels      Genealogy and Fiction in Hardy T. O'Toole,1997-08-18 Tess O Toole uncovers Hardy s career long fascination with the points of intersection between genealogy and fiction and argues that this relationship fuels much of his writing Hereditary patterns are the product of narrative compulsion the circulation of the family story is necessary to reproduce the history it records As well as analyzing Hardy s characteristic treatment of family history this volume revises existing accounts of genealogical narrative and in its conclusion considers the presence in other nineteenth and twentieth century novels of motifs foregrounded in Hardy s work      *The Bookseller* ,1876      *Publisher and Bookseller* ,1876 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series      **The Westminster review [afterw.] The London and Westminster review [afterw.] The Westminster review [afterw.] The Westminster and foreign quarterly review [afterw.] The Westminster review [ed. by sir J.
