Summer Seattle Times Book for Summer Reading Pamela Paul has kept a single book by her side for twenty eight years

carried throughout high school and college hauled from Paris to London to Thailand from job to job safely packed away and

then carefully removed from apartment to house to its current perch on a shelf over her desk Reliable if frayed anonymous

looking yet deeply personal this book has a name Bob Bob is Paul's Book of Books a journal that records every book she's

ever read from the Sweet Valley High series to Anna Karenina from Catch 22 to Swimming to Cambodia a journey in reading

that reflects her inner life her fantasies and hopes her mistakes and missteps her dreams and her ideas both half baked and

wholehearted Her life in turn influences the books she chooses whether for solace or escape information or sheer

entertainment But My Life with Bob isn't really about those books It's about the deep and powerful relationship between book and reader It's about the way books provide each of us the perspective courage companionship and imperfect self knowledge to forge our own path It's about why we read what we read and how those choices make us who we are It's about how we make our own stories Pamela Paul is reflective open and at times achingly funny My Life with Bob is the book that she was put on this earth to write The Economist An appealingly roving memoir which includes undersung marvels that boldly take measure of the world and challenge us to write our own story Vogue The ultimate book about reading books BuzzFeed

**The Haunting of Borley Rectory** Sean O'Connor,2022-10-13 Marianne Foyster Harry Price and the most haunted house in England the perfect read for Halloween In 1928 Eric and Mabel Smith took over a lonely parish on the northern border of Essex When they moved into Borley Rectory Mrs Smith made a gruesome discovery in a cupboard a human skull Soon the house was electric with ghosts Within the year the Smiths had abandoned it and the Rectory became notorious as the most haunted house in England When Reverend Lionel Foyster moved in he experienced a further explosion of poltergeist activity with an increasing violence directed at his attractive young wife Marianne was a passionate and sensuous woman isolated in a village haunted by ancient superstition and deep rooted prejudice She would be accused not only of faking the ghosts but of adultery bigamy and even murder The haunting sensationally reported in the tabloid press gripped the nation It was investigated by Harry Price a self made psychic detective This was the case that would make Price's name as the most celebrated ghost hunter of the age He recorded the evidence of 200 witnesses to over 2 000 supernatural incidents This surely confirmed that not only did ghosts exist but finally here was proof of life after death With the tension of a thriller and the uncanny chills of a classic English ghost story Sean O'Connor brings the story of Borley Rectory to vivid life as an allegory for an age fraught with anxiety haunted by the shadow of the Great War and terrified of the apocalypse to come Borley Rectory is perhaps the definition of an old haunt still exerting an extraordinary grip on the popular imagination
