*Managing Volunteers* Nancy Sakaduski, 2013-03-21 Volunteers are the backbone of many an organization. This practical hands on guide filled with useful tips and everyday examples will help those responsible for volunteers successfully recruit and manage this invaluable resource. Anyone who supervises volunteers will find this book an indispensable guide for navigating the intricacies of managing unpaid workers. Underlying the content is the message that volunteers are a vital part of an organization's workforce and should be treated as valuable members of the team. Volunteers can work alongside paid staff members to help the organization run smoothly and efficiently and cost effectively. The book is packed with easily implemented advice and proven techniques for successfully handling common situations. Concise and easy to read it assumes neither previous volunteer management experience nor familiarity with business practices yet even experienced volunteer managers will come away with fresh ideas and new approaches. To augment her own expertise and increase the diversity of viewpoints the author interviewed volunteer managers from various types of organizations and shares their stories. Quotes and anecdotes throughout the book help readers relate to common problems and illustrate the challenges and rewards of managing volunteers.

*Volunteer Management for Non-Profit Organizations* Bryan Yeager, 2017-05-03 Volunteering time to benefit others is one of life's greatest rewards. With the help of a small but incredible team we recruited and managed volunteers who helped in over sixty events that were filled to capacity in some of the largest football stadiums and arenas in North America. One of these events was held in Washington D C and it had over one million men in attendance. To successfully conduct these events literally required tens of thousands of volunteers. Through the years our team learned the right ways and sometimes painfully the wrong ways of recruiting and managing volunteers. This book explores the key elements of managing volunteers not only for events but also for the everyday volunteer assignments within non profit organizations and condenses practical volunteer management principles into this 100 page book.

**The Volunteer Management Handbook** Tracy D. Connors, 2011-09-23 Completely revised and expanded the ultimate guide to starting and keeping an active and effective volunteer program. Drawing on the experience and expertise of recognized authorities on nonprofit organizations, *The Volunteer Management Handbook* Second Edition is the only guide you need for establishing and maintaining an active and effective volunteer program. Written by nonprofit leader Tracy Connors, this handy reference offers practical guidance on such essential issues as motivating people to volunteer, their time and services, recruitment and more. Up to date and practical, this is the essential guide to managing your nonprofit's most important resource, its volunteers. Now covers volunteer demographics, volunteer program leaders and managers, policy making and implementation, planning and staff analysis, recruiting, interviewing and screening volunteers, orienting and training volunteers, and much more. Up to date practical guidance for the major areas of volunteer leadership and management. Explores volunteers and the law, liabilities, immunities and responsibilities. Designed to help nonprofit organizations survive and thrive. *The Volunteer Management Handbook* Second Edition is an indispensable reference that is unsurpassed in both the breadth and depth of its coverage.

*The Book on Volunteer Management: Organize. Engage. Motivate.* Eric Burger, 2018-09-08 Is your organization getting the most from its volunteers? Volunteers are an essential part of many nonprofits' day-to-day operations. Yet a large number of organizations continue to struggle with engaging, managing, and retaining volunteers. Today's successful nonprofits are changing the face of volunteerism by adopting modern best practices, tools, and technologies to evolve management strategies that keep up with developing trends. This book will help you.

*A Guide to Volunteer Management*, 2013 This guide is designed to help your sports organisation set up an effective programme for your on-going recruitment, support, and retention of volunteers. Page 1

The Disruptive Volunteer Manager Meridian Swift, 2019-01-15 Volunteer management is stuck in a decades-old paradigm. It doesn't work for today's volunteers. In *The Disruptive Volunteer Manager*, blogger Meridian Swift lays out 6 steps to modernizing volunteer management. By following the steps, today's volunteer managers will position themselves as leaders of a movement to elevate volunteers and volunteer contributions. Each step equips a volunteer manager with the tools to attract and sustain modern volunteers while increasing respect and demand for volunteer involvement. Just a few of the many questions Swift answers are: How is volunteer synergy formed? Where do balanced volunteer projects fall on the tasks priority list? Are volunteers human capital assets or a product? Should we worry about a volunteer block chain? How do we stop the volunteer talent churn? What is volunteer role scalability? Disrupting volunteer management means positioning for the future of volunteer engagement and breaking the bonds of an outdated system to become an effective leader. With 6 steps to reframe volunteer management, *The Disruptive Volunteer Manager* illustrates the path to a better way.

Keeping Volunteers Stephen McCurley, 2007 This book focuses not on the usual goal of volunteer programmes: recruitment, but on an area of increasing concern to volunteer organisations: methods to retain volunteers once recruited. The book goes through all aspects of handling volunteers, from welcoming them to the team to dealing with volunteer burnout. It analyses the reasons why volunteers choose to give up volunteering and sets out ways to prevent this happening. Relying on hundreds of programme experiences and studies from around the world, *Keeping Volunteers* is the first globally based examination of effective techniques for ensuring that volunteers feel valued, recognised, and connected with the organisation's mission.
