1724-1800 Charles James Longman,1936 *Susanna Wesley* Susanna Wesley,1997-06-26 Susanna Wesley long celebrated
in Methodist mythology as mother of the movement's founders now takes place as a practical theologian in her own right
This collection of her letters spiritual diary and longer treatises only one of which was published in her lifetime shows her to
be more than the nurturing mother of Wesleyan legend It also reveals her to be a well educated woman in conversation with
contemporary theological philosophical and literary works Her quotations and allusions include Locke Pascal and Herbert as
well as a number of now forgotten theologians In some of her work one can distinguish doctrinal and spiritual leanings such
as Arminianism and Christian perfection that would later find wide expression in the spread of Methodism Further her
writings demonstrate her readiness for conscience's sake to stand up to the men in her life father husband and sons and the
three incarnations of English Protestantism they represented respectively Puritanism the Established Church and the new
Methodist movement Tracing these incidents in her letters and diaries a reader can begin to understand how spirituality
even an otherwise conservative one in rather restrictive times can serve to empower the voice of women **Observations
