Germany is an indexed road map now available at the more detailed scale of 1:500,000. Also included is a map of the Ruhr at 1:300,000. Places of interest including museums, monuments and religious sites are listed and accompanied by a wide range of pictorial symbols for instant recognition; these symbols have been colour coded by category. In addition to the road and rail networks, ferry routes and airports, this map provides an overview of the topography through the use of relief shading. National parks, nature reserves and restricted areas are clearly shown. Handy distance indicators located in the margin give distances to the nearest town, major locations and motorway junction if applicable. Intermediate driving distances are shown on main roads. The extensive legend is shown in 4 languages. *Essential Road Map* Automobile Association, 1994-01-01
