The Herries Chronicles Volume 2:

The Letters of T. S. Eliot Volume 2: 1923-1925 T. S. Eliot, 2011-10-20 Volume Two covers the early years of his editorship of *The Criterion* the periodical that Eliot launched with Lady Rothermere's backing in 1922 publication of *The Hollow Men* and the course of Eliot's thinking about poetry and poetics after *The Waste Land* The correspondence charts Eliot's intellectual journey towards conversion to the Anglican faith in 1927 as well as his transformation from banker to publisher ending with his appointment as a director of the new publishing house of Faber Gwyer in late 1925 and the appearance of *Poems* 1909 1925 Eliot's first publication with the house with which he would be associated for the rest of his life It was partly because of Eliot's profoundly influential work as cultural commentator and editor that the correspondence is so prolific and so various and Volume Two of the Letters fully demonstrates the emerging continuities between poet essayist editor and letter writer

A Blake Bibliography Gerald Eades Bentley, Martin K. Nurmi, 1964-01-01 A Blake Bibliography was first published in 1964 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions The aim of this book is to list every reference to William Blake published between 1757 and 1863 and every criticism and edition of his works from the beginning to the present Partly because of the deluge of scholarship in the last forty years it includes perhaps twice as many titles as Sir Geoffrey Keynes's great bibliography of 1921 An introductory essay on the history of Blake scholarship puts the most significant works into perspective indicates the best work that has been done and points to some neglected areas In addition all the most important references and many of the less significant ones are briefly annotated as to subject and value Because many of the works are difficult to locate specimen copies of all works published before 1831 have been traced to specific libraries Each of Blake's manuscripts is also traced to its present owner Two areas which have received relatively novel attention are early references to Blake before 1863 and important sale and exhibition catalogues of his works In both areas there are significant number of important entries which have not been noticed before by Blake scholars The section on Blake's engravings for commercial

works receives especially detailed treatment A few of the titles listed here have not been described previously in connection with Blake *A History of England from the Conclusion of the Great War in 1815* Sir Spencer Walpole,1880 *Torch and Colonial Book Circular* ,1888 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1900 **Waterstone's Guide to Books** Waterstone & Co., Ltd,1989 **The Scottish Antiquary, Or, Northern Notes & Queries** ,1897 Turkish review of archaeology ,1896 A Bibliography of History & Historical Biography.
