General

The running gear of the 911 Targa is based largely on that of the regular 911 Carrera for the 2002 model year. Minor modifications had to be carried out as a result of the different vehicle weights.

The 911 Targa is offered in different suspension versions. They include the Standard, Sport and 4S suspensions.

Only the changes compared with the suspension versions of the 911 series for the 2002 model year are described in this section.

The springs are color-coded to distinguish them.
