Cutting Edge Conversations EJ 'Ted' Cutting, Stuart Bailey, 2024-06-04 EJ Ted Cutting was not only Aston Martin's most successful Chief Race Car Design Engineer but was also an innovator with influential force on the worldwide automotive industry Originating from a limited edition hardback version this eBook was produced in celebration of the 60th anniversary of Aston Martin winning the World Sports Car Championship for Britain with the all conquering DBR1 designed engineered and created by

Ted himself Rather than a traditional biography of his life Ted wanted his book to be rather less scripted and informal it was therefore initially adapted from a number of recorded conversations between himself and Aston Martin Heritage Trust members Stuart Bailey and Brian Joscelyne the title being an obvious choice considering this In addition to the in depth telling of a legendary period in British motorsport by a man at the centre of it all the book also sees Ted clarify a number of details which have in the past been incorrectly reported Unusually it also contains all his published documents and access to a 90 minute video of his unique lecture on Racing Astons to further endorse his story Although the original hardback edition of this book was produced only in a limited run Ted s wish was to make the complete book available to a much wider audience now possible through the internet as an engineer always working at the cutting edge of technology he would appreciate the benefits of information sharing in the digital age As well as being of interest to fans of Aston Martin and of motorsports in general the book is a compelling read for any student of automotive design and engineering after all progress is about standing on the shoulders of giants and in the field of race car design few individuals ever reach the colossal heights achieved by Ted Cutting The Boy Richard Williams,2021-04-01 Captures the bold engaging spirit of one of Britain s best loved sporting heroes Sunday Times A fascinating read and sure to be the definitive account of his life Mark Knopfler SHORTLISTED FOR THE SPORTS WRITING BOOK OF THE YEAR AWARD Even in the midst of a global pandemic the death of Stirling Moss on 12 April 2020 at the age of 90 made headlines almost 60 years after he retired from Formula One In The Boy Richard Williams assesses what made him such an iconic figure Told in 60 brief chapters Williams builds a fascinating and revealing portrait of a driver who was a hero to millions As the long years of war began to recede sport in Britain was getting moving again and there was a need for heroes Denis Compton and Stanley Matthews were in their pomp playing to packed houses But Stirling Moss was a fresh face just 17 years old when he first emerged in 1947 Too young to have served and been scarred by the war he was soon revealed to possess not only an unearthly degree of skill but the qualities of courage and resolution noted in the generation that fought in the air and on land and sea Their youth had been stolen his was new and unspoiled The Boy explains how and why he came to occupy such a unique place in the esteem and the affections of the nation Why him rather than some of his contemporaries such as Mike Hawthorn and Peter Collins who shared a role in the rise of Britain as a power in international motor racing Moss may never have been world champion but he created a remarkable and enduring legacy and Williams brilliantly shows just how he did it **Classic Cars in Profile** Anthony Harding,1968 **Stirling Moss Scrapbook 1961** Stirling Moss,Philip Porter,2006-06-01 The year 1961 heralded a new era for motor racing with the introduction of Formula One It was a double challenge for Stirling Moss who was still recovering from the accident that had almost killed him the year before Yet a rested and refreshed Moss relished the challenge In this season of change he drove Lotuses Ferraris Coopers and Porsches and found time to court a succession of glamorous women much to the delight of the world s press *Stirling Moss* Karl Ludvigsen,1997-11-11 The greatest champion without a crown

Stirling Moss Scrapbook 1929-54 Stirling Moss, Philip Porter, 2015-06-01. The Stirling Moss Scrapbook 1929-1954 tells the story of the formative years of one of the greatest racing drivers of all time. Moss's meteoric rise through the junior ranks with the little F3 500s, the big break with a borrowed XK120, the highs and lows with HWM when he took on the best in their more powerful Ferraris and shook the big names, the great drives and successes with Jaguar in the TT and at Le Mans, missing a Monte Carlo Rally win at the first attempt by mere seconds, the frustrating years when he put patriotism first and soldiered on with inadequate machinery and finally 1954, the year when everything fell into place on the international stage.
