# The Benedictines In Newark 18421992

**Jerome Oetgen**

## **The Benedictines In Newark 18421992:**

**Encyclopedia of New Jersey** Maxine N. Lurie, Marc Mappen, 2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey

**Schools for the Lord's Service** Jerome Oetgen, 2025-02-15 An inspiring narrative history of the oldest congregation of Benedictine monasteries in the United States Commissioned by the American Cassinese Benedictine Congregation Schools for the Lord's Service is a comprehensive narrative history of the oldest congregation of Benedictine monasteries in the United States. In vivid detail it describes how monasteries of the American Cassinese Congregation initiated monastic life in North America according to the Rule of St Benedict and how in doing so they have engaged for nearly 170 years with the American Catholic Church the global Benedictine Order the Holy See and American society. Following a Benedictine tradition that stretches back to the early Middle Ages American Cassinese monks spread out from Pennsylvania to establish monasteries throughout the United States. Led by Boniface Wimmer a visionary monk from the Bavarian abbey of Metten the Benedictines introduced monastic observance according to the Rule of St Benedict in these monasteries and from them they founded missions parishes and schools where they continue to carry on pastoral educational and missionary apostolates in the service of the people of God. Comprised of twenty five monasteries located in the United States Puerto Rico Canada Brazil Colombia Mexico and Taiwan the legacy and spirit of the American Cassinese Benedictines continues to reinforce and complement the words of Abbot Boniface Wimmer who constantly exhorted his Benedictine brothers and sisters Forward always forward

**The American Benedictine Review**, 2005

**An American Abbot** Jerome Oetgen, 1997 This volume is a newly revised and expanded version of An American Abbot the biography of Boniface Wimmer O S B published twenty years ago by the Archabbey Press. In preparing the new edition Jerome Oetgen has thoroughly reexamined the primary sources added material from additional sources and taken into account the results of scholarly research on American Catholic and Benedictine history published since 1976. The achievement of Boniface Wimmer the father of the Benedictine presence in the United States has been generally underestimated in the history of American Catholicism. Modern historians of the Catholic Church in the United States have tended to neglect the story of Catholicism on the American rural frontier where between 1830 and 1860 the majority of the 1.5 million German immigrants settled. It was chiefly to serve these farm bound immigrants that Wimmer came to America in 1846 and for the next forty years as his evangelization efforts expanded to include Irish African Americans Native Americans and immigrants from eastern Europe he consistently exhibited the traditional Benedictine preference to establish monasteries and religious centers in farming regions and to work among the people of the countryside rather than those of the cities. In his own lifetime Wimmer was widely esteemed both by the American hierarchy for his distinguished pastoral work and by European ecclesiastical and monastic leaders for the crucial role he played in the nineteenth century revival and development of Benedictine monasticism. Though his work may not have brought him to

center stage in the American Catholic Church he was nonetheless one of the key supporting actors This biography assesses his part and lasting importance Jerome Oetgen is a U S foreign service officer currently on assignment as director of the Fulbright Exchange Program for Latin America and the Caribbean at the United States Information Agency in Washington D C He has published numerous articles on the history of the American Benedictines This work of nonfiction contains several of the key ingredients of a classic adventure story The serious student of American religion cannot afford to ignore this biography The Heythrop Journal Oetgen has rewritten our understanding of the founder of American monasticism creating in the process a work of enduring value Dom Paschal Baumstein O S B Belmont Abbey College No one who is interested in the history of religion in America or in the fortunes of this venerable Benedictine order will want to overlook this fine work Demetrius R Dumm O S B Saint Vincent Archabbey This revised edition is filled with new information Wimmer dedicated single minded stubborn made history Oetgen has done a commendable job of writing it Prof David J O Brien College of the Holy Cross Oetgen has written a revised and expanded version of the unique historical record of Boniface Wimmer In doing so he gives the reader an even deeper appreciation of Wimmer s role as monastic pioneer in the context of nineteenth century American Catholicism F Joel Rippinger O S B Marmion Abbey Every so often a figure comes along who captures the spirit of the times and is able to use that insight to spread the gospel Boniface Wimmer did just that Rembert G Weakland O S B Archbishop of Milwaukee Table of Contents Foreword by Demetrius Dumm OSB Preface to the Revised Edition Preface to the 1976 Edition Introduction by Colman J Barry OSB 1 Thalmassing to Metten 2 Answering the Call 3 The First Years 4 Growth and Expansion 5 Visions and Rebellions 6 Consolidation and Further Growth 7 Laughter and Tears Epilogu

**Mission to America** Jerome Oetgen,2000 This volume tells the story of the founding of the first Benedictine monastery in the USA and provides an account of the development of monastic life in America It traces the history of Saint Vincent monastery parish seminary college prep school and Pennsylvania scholasticate      **Newsletter** New Jersey Historical Commission,1992      [The Benedictines in Newark, 1842-1992](#) Newark Abbey Press,1992-03      **Studien und Mitteilungen zur Geschichte des Benediktiner-Ordens und seiner Zweige** ,2013      **Books in Print** ,2004      **Subject Guide to Books in Print** ,2001      [The Benedictines in Newark, 1842-1992](#) Augustine Curley,1992      **The Benedictines in Newark** Malachy McPadden,1992      [Downtown Monks](#) Albert Holtz,2012-09 Downtown Monks tells the story of the challenges facing a community of Benedictine monks in their ministry of running a boys school amid the gritty realities of inner city life in Newark New Jersey Father Holtz s story remains an inspiration for readers and also serves as a model for Christian living and discernment using Benedictine disciplines
