

MORAL STORY FOR KIDS

Once upon a time, in a forest, a kind squirrel named Sam found an injured bird. Instead of ignoring it, Sam gently cared for the bird until it could fly again. Grateful, the bird promised to help Sam whenever needed. One day, a storm blew through the forest, and Sam's home was destroyed. The bird saw Sam's trouble and gathered other birds to help rebuild the squirrel's home. From then on, Sam and the bird remained best friends, always helping each other and showing the forest the power of kindness and teamwork.

Stories for Kids Only Marie J. Rosas,2003-02-01 NULL **Just so stories for little children. Stalky & Co** Rudyard Kipling,1899 **31 Moralistic and Motivational Bedtime Short Stories for Kids** Paichuu,2015-05-11 Reading to children is a wonderful activity and past time that both parents and teachers enjoy Seeing their rapt excited faces when there s a mystery to be solved a surprise twist or a happy ending is all the reward one needs Not only are story books a child s first experience with written words and an introduction to education but they are also a way to stimulate imagination and dreams Some of the best short stories for kids are the classics These stories have been around for generations and are still best sellers and favorites in many families These tried and true books will be around as long as parents pass on their love for great stories and enjoyable reading Many of these classic books have lasted because kids have such a great time reading them They re fun and exciting and have beautiful and interesting illustrations Many great stories for kids are available today in the bookstores as well as online Few people today are aware of the fact that books written specifically for children did not exist before the 17th century Prior to that time period it is was generally accepted that books were written exclusively for adult readers In addition printed works were highly expensive and were available primarily to people of means Only minority of the adult population were literate and even a smaller percentage of children living at that time were able to read and write Today we are blessed with proliferation of children s literature with a great variety of stories for kids geared to different age levels The importance of reading to children is apparent to every parent We can start reading stories for kids even to a baby or a toddler Research shows that the baby in utero can hear her mother s voice and recognize it immediately after birth Certainly even young babies love to hear the voice of their mother or father Make sure to make the time you read with your child a pleasant time of bonding and closeness to create positive associations with this activity in the young child s mind Despite that this activity is of paramount importance never force your child to read or listen to stories It is much more important that the child enjoys the interaction between the two of you If he or she is not in the mood to listen to short stories for kids let him pick a game or different activity to do together The most important aspect of your interaction should be mutual enjoyment It is a good idea to encourage older siblings relatives and friends to read out loud to the younger children There are many types of short stories for kids available to all therefore you must search around according to your child s like and dislikes or whether you want to nudge them in a certain direction or not Short stories for kids are a great way to introduce kids to a new area of life or a new situation in a fun timely manner You should always make it a fun enjoyable thing to do it should be about you and your child or children bonding and them learning from it too **Never Alone** Natan Sharansky,Gil Troy,2020-09-01 A classic account of courage integrity and most of all belonging In 1977 Natan Sharansky a leading activist in the democratic dissident movement in the Soviet Union and the movement for free Jewish emigration was arrested by the KGB He spent nine years as a political prisoner convicted of treason against the state Every day Sharansky
