Qualitative Inquiry and Research Design John W. Creswell, Cheryl N. Poth, 2017-01-10 Winner of the 2018 Textbook Academic Authors Association's The McGuffey Longevity Award In the revised Fourth Edition of the best selling text John W. Creswell and new co author Cheryl N. Poth explore the philosophical underpinnings history and key elements of five qualitative inquiry approaches narrative research phenomenology grounded theory ethnography and case study Preserving Creswell's signature writing style the authors compare the approaches and relate research designs to each of the traditions of inquiry in a highly accessible manner. Featuring new content articles pedagogy references and expanded coverage of ethics throughout the Fourth Edition is an ideal introduction to the theories strategies and practices of qualitative inquiry.

Thriving on Our Changing Planet National Academies of Sciences, Engineering, and Medicine, Division on Engineering and Physical Sciences, Space Studies Board, Committee on the Decadal Survey for Earth Science and Applications from Space, 2018-12-20 We live on a dynamic Earth shaped by both natural processes and the impacts of humans on their environment. It is in our collective interest to observe and understand our planet and to predict future behavior to the extent possible in order to effectively manage resources successfully respond to threats from natural and human induced environmental change and capitalize on the opportunities social economic security and more that such knowledge can bring. By continuously monitoring and exploring Earth developing a deep understanding of its evolving behavior and characterizing the processes that shape and reshape the environment in which we live we not only advance knowledge and basic discovery about our planet but we further develop the foundation upon which benefits to society are built. *Thriving on Our Changing Planet* presents prioritized science applications and observations along with related strategic and programmatic guidance to support the U.S. civil space Earth observation program over the coming decade.
