Magic To The Bone:

Magic to the Bone Devon Monk, 2011-10-13 Using magic meant it used you back Forget the fairytale hocus pocus sparkles and pixie dust crap Magic like booze sex and drugs gave as good as it got Everything has a cost And every act of magic exacts a price from its user maybe a two day migraine or losing the memory of your first kiss But some people want to use magic without paying and they Offload the cost onto innocents When that happens it falls to a Hound to identify the spell s caster and Allie Beckstrom is the best there is Daughter of a prominent Portland businessman Allie would rather moonlight as a Hound than accept the family fortune and the strings that come with it But when she discovers a little boy dying from a magic Offload that has her father s signature all over it Allie is thrown into the high stakes world of corporate espionage and black magic

Magic in the Shadows Devon Monk, 2009-11-03 Allison Beckstrom s magic has taken its toll on her physically marking her and erasing her memories including those of the man she supposedly loves But lost memories aren t the only things preying on Allie s thoughts Her late father the prominent businessman and sorcerer Daniel Beckstrom has somehow channeled himself into her very mind With the help of The Authority a secret organization of magic users she hopes to gain better control over her own abilities and find a way to deal with her father
