**An Army of Stories** Roger Mason,2015-06-23 Private First Class R was an excellent soldier so it was unlike him to be late When he came in a few minutes later I could see by the grim look on his face that something was terribly wrong He immediately began to cry and tell me that his wife had miscarried the child they had so badly wanted I had never seen anyone cry as much as he did that morning and one box of tissues simply was not enough After a while the front of his uniform was soaked from his many tears and I felt horrible seeing him suffer It was one of those times when I would have moved Heaven and Earth if I could have but I could not It humbled me because I wanted to order someone to do something to fix the problem but this time it would not be that simple I had always taken pride in looking out for the welfare of the soldiers in my charge but this time was different I knew I was not a miracle worker but I felt I had let him down because as much as I wanted to I did not have the power to bring back his baby It was the worst day of my Army career because a good soldier who looked up to me for wisdom and guidance was in peril and there was nothing I could do I felt like a weakened Superman hopelessly dragging his feet through

a field of Kryptonite because there I was with all my rank and power that the Army had entrusted in me but I was useless to him

**A Touch of Morning Calm** Wayne Zurl, 2016-06-08 Sam Jenkins's experience as a New York detective and Tennessee police chief may be varied but none is more interesting than his encounter with Korean organized crime. Two former call girls hoping to establish a legitimate massage therapy business in Prospect ask for Sam's help after a Korean mobster attempts to extort protection money from them. Jenkins agrees to investigate but wonders if their business really is aboveboard. Sorting out truth from fiction in this complicated investigation becomes only a minor problem for Jenkins after a Korean girl employed by the ex-hookers is found murdered. And the trouble doesn't stop there. When bodies begin piling up, Sam finds it difficult to link the victims other than by their ethnicity. That's when he again turns to the women in his life for assistance in his police endeavors. His wife Kate, desk sergeant Betty Lambert, and TV news anchor Rachel Williamson all contribute significantly to the successful closure of two murders in Prospect and finding who killed a pair of thugs in nearby Knoxville. As often happens, an old colleague from Sam's days in New York visits his former boss and the touristy town of Prospect, Tennessee. Retired Detective Fred Mazzio becomes intrigued with the murders and volunteers to team up with Jenkins's assistant John Gallagher, another ex-New York cop, and follow the undeveloped leads. The two former partners bicker constantly but lend their fifty years of police experience to the investigation.

**Battle for the Central Highlands** George Dooley, 2007-12-18 THE CENTRAL HIGHLANDS WHERE DANGER REIGNED SUPREME AND DEATH WAS A CONSTANT COMPANION. The fighting was fierce in the Central Highlands where Green Beret George Dooley served with elite Special Forces A-teams training the rugged Montagnards in guerrilla warfare and accompanying them on patrols. The Viet Cong and NVA were entrenched in the sparsely populated Highlands where towering mountains gave them the ruthless upper hand. The missions Dooley led often in enemy territory provided a steady diet of sniping, ambushes, booby traps, and mines. As the war escalated, Dooley commanded his own A-team and the battles against the large numbers of crack NVA troops became even more desperate and deadly. By then military command routinely assigned anything but routine missions to Special Forces and expected them to meet their objectives.
