Independent Filmmaking across Borders in Contemporary Asia Ran Ma, 2025-10-01 *Independent Filmmaking across Borders in Contemporary Asia* examines an array of auteur-driven fiction and documentary independent film projects that have emerged since the turn of the millennium from East and Southeast Asia, a strand of transnational filmmaking that converges with Asia's vibrant yet unevenly developed independent film movements amidst global neoliberalism. These projects bear witness to and are shaped by the ongoing historical processes of inter-Asia interaction, characterized by geopolitical realignment, migration, and population displacement. This study threads together case studies of internationally acclaimed filmmakers, artists, and collectives such as Zhang Lu, Kuzoku Li Ying, Takamine Go, Yamashiro Chikako, and Midi Z, all of whose transborder journeys and cinematic imaginations disrupt static identity affiliations built upon national, ethnic, or

cultural differences This border crossing filmmaking can be viewed as both an aesthetic practice and a political act reframing how people places and their interconnections can be perceived thereby opening up possibilities to reimagine Asia and its connections to globalization The Primacy of Loving David John Torkington,2022-12-09 When love is lost within a family catastrophic consequences follow That is not just for the parents but for the children too and society at large When the God given love that Jesus Christ introduced into the first Christian family was lost similar consequences ensued Loveless men and women not only do damage to themselves but to others too inside and outside of the Church This last spiritual and supreme masterpiece of a great spiritual master explains and details how the love that was lost can be put back and flourish where it once flourished before This book is the long awaited watershed that can slake the thirst of the dry weary land that has been yearning to receive it *The Gala on the Night* Justin Kanjirakattu,2023-09-19 When siblings Joshua and Fuchsia Hilton rediscover their late Aunt Leila s diamond ring they soon find out about its hidden powers When Leila s old lover Peter chases them out of their small Massachusetts town in pursuit of the powerful ring they end up in the hidden mystical land of the Starlight Crescents Exploring the land the siblings encounter some special residents and discover more rings with special powers However they also find out about Peter s agenda to destroy all the rings to power the most forbidden gem of all the Shadow Ring As the grandiose festival of the land The Gala on the Night approaches news of Peter s return to the Starlight Crescents quickly spreads along with speculation about how Aunt Leila truly died As they venture the siblings begin to discover secrets of their aunt s past and slowly begin to wonder are they guarding the rings from the right person
