**Slavery Ordained of God by Rev Fred a Ross** Frederick Augustus Ross, F. A. (Frederick Augustus) Ross, 1857

**Slavery Ordained of God (Refine and Edited)** F. A. Ross, 2025-12-14 *Slavery Ordained of God* by Rev F A Ross published in the mid 19th century is a deeply controversial work that reflects the religious and ideological justifications for American slavery particularly as defended by Southern theologians in the pre Civil War United States As one of the most prominent pro slavery theological arguments the book seeks to prove through biblical exegesis and religious doctrine that slavery was not only permissible but divinely sanctioned The content includes letters speeches and theological essays delivered by Ross especially before the General Assembly of the Presbyterian Church and directed at Northern abolitionists such as Rev Albert Barnes Ross's core argument is that governance over man including ownership is a divine institution and that the Bible upholds slavery through figures such as Abraham and the Israelite masters whom he insists were not man stealers Ross addresses ethical and moral objections by arguing that opposition to slavery stems from Enlightenment reasoning rather than Scripture He defends Southern slaveholders as moral law abiding Christians and criticizes anti slavery agitation for undermining both social order and religious faith The book also contends with questions about the Declaration of Independence natural rights and the Golden Rule attempting to harmonize these with slaveholding society From a modern perspective this work is widely seen as a historical artifact of religious extremism used to uphold racial injustice However it is a critical document for understanding how slavery was defended not just economically and politically but theologically revealing the depth of moral conflict that defined antebellum America *Slavery Ordained of God ...* Frederick Augustus Ross, 1857 , **Slavery Ordained of God** Frederick A. Ross, 1969 **Slavery Ordained of God** Frederick Augustus Ross, 2017-08-20 **Slavery Ordained of God** , 2015-12-27 In the mid 1850s slavery was so normal and acceptable that ministers of the Gospel were defending it with the same zeal they would defend the necessary evil of war The below excerpt is from a book written by a pastor called *Slavery Ordained of God* by Fred Ross The questions it brings up are interesting We see atheists today bring up these passages as proof of the immorality of the Bible 99.999% of Christians today will explain these passages away yet up until relatively recently most Christians would have agreed with them in some measure as still binding Why is this Has God changed Have we changed Is it possible that the truth of the matter is that Christians have been slowly reinterpreting almost the entire Bible for the last 500 years or so since the dawn of the Reformation I think so Here is the excerpt Please read it in full Let us then North and South bring our minds to comprehend two ideas and submit to their irresistible power Let the Northern philanthropist learn from the Bible that the relation of master and slave is not sin per se Let him learn that God says nowhere it is sin Let him learn that sin is the transgression of the law and where there is no law there is no sin and that the Golden Rule may exist in the relations of slavery Let him learn that slavery is simply an evil in certain circumstances Let him learn that equality is only the highest form of social life that subjection to authority even

slavery may in given conditions be for a time better than freedom to the slave of any complexion Let him learn that slavery like all evils has its corresponding and greater good that the Southern slave though degraded compared with his master is elevated and ennobled compared with his brethren in Africa Let the Northern man learn these things and be wise to cultivate the spirit that will harmonize with his brethren of the South who are lovers of liberty as truly as himself And let the Southern Christian nay the Southern man of every grade comprehend that God never intended the relation of master and slave to be perpetual Let him give up the theory of Voltaire that the negro is of a different species Let him yield the semi infidelity of Agassiz that God created different races of the same species in swarms like bees for Asia Europe America Africa and the islands of the sea Let him believe that slavery although not a sin is a degraded condition the evil the curse on the South yet having blessings in its time to the South and to the Union Let him know that slavery is to pass away in the fulness of Providence Let the South believe this and prepare to obey the hand that moves their destiny *Slavery Ordained of God* F.

*Truthful Pictures* Diane N. Capitani,2009-01-01 *Truthful Pictures* examines novels and sermons written in the antebellum South in particular those written after the 1851 publication of *Uncle Tom s Cabin* It begins with a historical overview of the function of women writers in American literature in order to help locate sentimental fiction within its historical context by analyzing the works of Southern female authors such as Caroline Hentz and Mary H Eastman Though they followed in Harriet Beecher Stowe s footsteps authors like Hentz and Eastman used their voices in conjunction with Christian ideology to support slavery The text then explores how Holy Scripture was perverted in Southern sermons by pulpit leaders such as

Thorton Stringfellow and Alexander McCaine in order to allow the continued enslavement of one group by another using religion to defend white patriarchy as the normal human way of life By examining antebellum sermons and writings and their influence on sentimental novels Truthful Pictures shows how religious texts reinforced political ideologies in the wake of increasing racial tensions between the North and the South Book jacket
