## Test Cricket:

**Greatest Teams and Greatest Players - A History of Test Cricket** R. I. Gilbert, 2025-08-15 Test cricket pits country against country in a five day struggle for cricket supremacy. It is the ultimate cricketing challenge for those players who are skilful enough and dedicated enough to represent their country at the highest level. But Test cricket is much more than that; it is a source of national pride and a mechanism that brings together vastly different cultures and communities, encouraging mutual respect as well as a shared admiration for the heroes of the game. Ever since the first Test match in 1877, lovers of cricket have argued over who was the best: the best team, the best batsman, the best bowler, the best wicketkeeper, the best captain, the best slips fielder, and so on. Of the millions who have played cricket, only 3,162 men have been good enough to play Test cricket for their countries, and of these, 841 were successful enough to play more than 20 Test matches. This book is about those few, the best of the best. Based solely on the batting and bowling ratings obtained using only the players' statistics, the best Test team for each era has been selected from every Test player who played more than 20 Test matches in that particular time period. The best national teams in each era for each participating country have also been selected. It is hoped that the national and world teams selected here and the comparisons between players provide for an enjoyable reading, both settling old arguments and creating new ones.

*Test Cricket* Indra Vikram Singh, 1992    **Ashes 2023** Gideon Haigh, 2023-10-26 A great cricket series as reported by a great cricket writer. High hopes were held for the Ashes of 2023. They were exceeded in an instant classic of five Tests between a bold England and a battling Australia, finally drawn two all. Ashes 2023 captures all the drama and skill, as well as the controversy over a stumping at Lord's that followed in the tradition of Bodyline as a clash of cultures and of stereotypes. With a foot in both camps, Gideon Haigh wrote for *The Australian* in Australia and *The Times* in the UK. This book mixes his popular match reports with new material to create a priceless memento of an unforgettable series.
