## **Speaking With Tongues:**

**An Essential Guide to Speaking in Tongues** Ron Phillips, 2011-06-07 This book is part of the Foundation Series by Pastor Ron Phillips. The series will contain books describing the basic foundational truths for the Spirit-filled believer. An Essential Guide to Speaking in Tongues will describe the author's own experience with speaking in tongues. The author brings great balance to this topic and helps readers to understand that speaking in tongues is a blessing of God that gives us the ability to boldly approach God's throne with the Holy Spirit's power and language. **Hidden Power of Speaking in Tongues** Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book *They Speak with Other Tongues*. The book was an immediate success as thousands were touched by the power of this spiritual gift. The *Hidden Power of Speaking in Tongues* again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. In a day of spiritual poverty, Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift. *Audacity of Speaking in Tongues* Oppong Kyekyeku, 2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom. Many doubts which surrendering it are creating fear instead of faith for its authenticity. Meanwhile, Jesus promised every believer as one of the signs to follow us. Speaking in tongues is not the Holy Spirit, but it is the evidence indicating that the Holy Spirit has come upon you. It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem. The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus's prophecy. Peter couldn't ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues. In Ephesus, Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues. Now we contemporary Christians cannot overlook this evidence. Instead, we must continue until we pass to the next generation. Because the truth has to be told. **The Gift of Speaking in Tongues** Claire Robin, 2020-07-25 What do you know about speaking in tongues? A lot has been said about speaking in tongues, one of the most misunderstood and rarely used gifts in all Christianity. A huge percentage of Christians don't understand WHY they should speak in tongues. The rest don't think they have it in them to speak in tongues. Some Christians don't even believe in the gift of speaking in tongues. They are still stuck with the question, is speaking in tongues really for me? The answer is a simple one: speaking in tongues is for every Christian filled with the Holy Spirit. Many Christians have received the gift of speaking in tongues, which has helped stimulate their faith, get their prayers answered, multiply God's love and power in their lives, and helped them receive healing and victory in their endeavors. For others, receiving the Holy Spirit's gift isn't the most exciting thing for them in today's world, but it is one of the most important gifts you can receive as a Christian today. You may

be okay with the occasional prayers you say in the morning at night and in between your daily schedules But when you really need to activate and pray from your spirit and not from your understanding you realize that you can't And what's a poor Christian like you to do Here's what you shouldn't do You shouldn't stop trying to receive the gift that's why I have written this book to help you with one thing receive the gift of speaking in tongues This book explores various topics on how you can receive this gift including How to Pray in Tongues at Will You will learn What the Bible says about speaking in tongues Being Saved and Being Filled with The Holy Spirit Quality Prayer Points to Bring Up to Start Speaking in Tongues The Basic Requirement for Speaking in Tongues The Significance of the Manifestation of the Holy Spirit How to Obtain the Holy Spirit and the Power to Speak in Tongues How to Get Ready for the Baptism of the Holy Spirit Speaking in Tongues and Staying with The Grace How to Pray in Tongues at Will If some or even all of the above are hindering you from claiming the gift the Holy Spirit is willing to give you today then you should immerse yourself in the Heavenly nuggets you will find scattered in this book to help you unlock and have access to your gift

**The Unseen Dynamics of Speaking in Tongues** Steven Adi, 2018-05-23 Often times we play around with many words as we use them in our day to day communications and other activities but there comes a time when these words are forged together to make a certain statement and when such a statement comes alive it creates a feeling of shock and awe resulting to a sense of deep satisfaction we marvel and even feel like we have never heard anything like that before Such was the feeling that greeted me when God formed the inspiration for this book upon the tablets of my mind There are certain questions you have always pondered upon while considering the subject of speaking in tongues A number of them highlighted below Why did God decide that we Christians should pray with other tongues Have you ever wondered the operations that go on spiritually on account of our prayer in tongues What are the realities and facts that distinguish praying in tongues from praying normally How much are we able to achieve within a short while when we pray in tongues Ever wondered what is the best mode of prayer Is it possible that Satan can block the answers to our prayers from reaching us Why was the answer to Daniel's prayers delayed by the Prince of Persia How can our prayers address the things that we do not have knowledge of The Unseen Dynamics of Praying in Tongues reveals all these mysteries and much more as you read through The book does not focus on defining speaking in tongues nor does it teach how to speak in tongues It does however focus on the spiritual activities that are pioneered in the spirit when you pray in tongues highlighting also the analysis and technical aspects of speaking in tongues This book is arguably the most revealing and concise book you have ever read that gives deep details into the invisible happenings and manifestations around Christians when they pray in tongues

**Tongues, to Speak Or Not to Speak** Donald W. Burdick, 1969 Tongues to speak or not to speak That is the question and Donald W Burdick gives the answer An answer that is biblically sound scholarly and

current It has to be current because the question is Glossolalia speaking in tongues is receiving national attention Both Time and Newsweek have recently featured articles on how tongues is now an accepted practice even in many of the old line denominational churches Many questions are being asked How can this new flourish be explained Is it a renewal of the New Testament phenomenon Is it something to be sought after These and similarly provocative questions are carefully discussed by Dr Burdick He analyzes evaluates and then lists all possible explanations of the current reenlistment to the movement More than that he provides background material essential to an effective evaluation Back cover What the Bible Says about Speaking in Tongues John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets *The Mechanics and Practice of Speaking in Tongues* C. Alan Martin, 2013-10-14 The Challenge We are going to present and prove a number of concepts in this study that are new and even revolutionary to the student of speaking in new tongues Among these concepts are All men have passively spoken in tongues from birth even before they spoke in their native tongue This includes non Christians Speaking in tongues is a natural and normal thing to do People were actively speaking in tongues hundreds of years before Christ was born New tongues are not real languages and cannot be understood by any man They can be understood by God because of His power The believers in Acts Chapter Two were not speaking in new tongues Jesus spoke in new tongues By speaking in new tongues one can commune with God heal the sick and raise the dead You can learn to actively speak in new tongues and do it at will Speaking in new tongues is for all intents and purposes gibberish It is gibberish that only God by His supernatural power can understand A spiritual thing is not necessarily a supernatural thing Speaking in new tongues is a merely spiritual manifestation as opposed to a supernatural manifestation Speaking in new tongues is not diversities of tongues Diversities of tongues is both a spiritual manifestation and a supernatural manifestation Speaking in tongues is a co operative effort between the spirit and the soul Numbers It is estimated that 600 million humans believe in the practice of speaking in tongues As of April 2006 500 million humans practice speaking in tongues The number of those speaking in tongues has increased 168 million since 1988 Denominations that promote speaking in tongues add 20 million converts to their pews each year 100 million Catholics identify with the Charismatic movement and speaking tongues If these statistics are true and continue By 2025 there could be over 1 14

Mills, 1972      *The Science of Speaking in Tongues* Stephen Jonathan DIN, 2019-05-05 Speaking in Tongues The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift

was a practical part of their worship and intercession and seeks to be rediscovered in our day. One of the major Christian discussions about spiritual gifts is the gift of Speaking in Tongues. This is one gift which many Christians continue to discuss. Some question whether Speaking in Tongues is still operating or ceased after the day of Pentecost. This book gives answers to questions which many believers continue to discuss about the Holy Spirit gift of tongues speaking. One fact about this gift is that those who have genuinely experienced the gift of speaking in tongues are the best teachers to answer questions. This book is good for all who earnestly desire to have knowledge about this gift of the Holy Spirit. Answers to the questions gives more insight about the real package of the gifts of Holy Spirit baptism. It also gives more explanations to the diversity of the body of Christ in relation to receiving the baptism of the Holy Spirit.

**The Expediency of Tongues** Pius Joseph, 2019-06-20

Speaking in tongues or praying in the Holy Spirit is a terminology that is associated with baptism in the spirit with the evidence of speaking in tongues. While it is evidently clear that the baptism of the Holy Spirit with the evidence of speaking in tongues is in line with Scriptures, there are many out there who want to know what they stand to get if they are baptised in the Holy Spirit with the evidence of speaking in tongues. This is the purpose and intent of this book to give you a biblical perspective on the benefits of praying in the Holy Spirit with the evidence of speaking in tongues. This book is by no means trying to impose the baptism in the Holy Spirit with the evidence of speaking in tongues on you. It only gives you the Bible perspective on what the baptism of the Holy Spirit with the evidence of speaking in tongues does to every believer who opens his heart to the Holy Spirit to fill him. The disciples lead a very simple and quiet life prior to the experience of the Holy Spirit in the upper room. No one knew them and their work was often shrouded in quietness. No miracle was ever performed by them and everything in their lives was a gentle quiet moving stream. But on the day of Pentecost when cloven tongues as of fire landed on each of the disciples, everything changed. Miracles, signs and wonders trail them everywhere they went. The sick while getting healed, the oppressed free and salvation was made cheaply available to as many who wanted to accept Jesus as their Lord and Saviour. One thing was responsible for this shift in the level of spiritual experiences that the disciples began to see. It is called the baptism of the Holy Spirit with the evidence of speaking in tongues. As you read the pages of this book, I want you to do one thing: open your heart to the Holy Spirit to help you understand the benefits of praying in tongues for a believer. If you have been hesitant about the baptism of the Holy Spirit with the evidence of speaking in tongues, this book is for you. It tells you what the Bible says and leaves you with the decision on whether to get baptised in the Holy Spirit with the evidence of speaking in tongues or not. If you are a believer and want to know the benefits of praying in tongues which you have been doing for a long time, this book is also for you. It will open your eyes to new light which you do not know previously so that you can pray in tongues with an understanding. I present to you the 50 benefits of praying in tongues or of praying in the spirit.
