**The Magic Mirrors Of Old Japan** Silvanus P Thompson,2019-01-25 Lovers of the Occult and the unusual will love this book It gives a deep insight into the ancient Japanese tradition of magic mirrors and their connection to the Sun Goddess In Japan mirrors had a peculiar place in society and spirituality Mirrors were often decorated and surrounded with flowers like we see icons from the West decorated and some of them are told to have magical properties This book digs into the special properties It seems that due to an old technique some Japanese mirrors can present patterns or images not to the onlooker but at the mirror s reflection in the room if the light source is just right [The Magic Mirror and the Wishes it Grants](#)

Lily's days were full of adventures through wildflower fields and along babbling brooks that whispered secrets from long ago. Her bright eyes hinted at uncharted land and her never ending hunger for new stories and experiences drove her to keep looking for them. Lily was sitting on the steps of her grandmother's small house one sunny afternoon as the smell of flowers wafted through the town in a light breeze. The cottage itself was a treasure chest of memories. Its weathered walls echoed with laughter and knowledge from centuries past. Lily's eyes wandered to the attic, a mysterious place where whispers from another time could be heard. She was interested in the idea of finding secret treasures there. Lily climbed the creaky stairs, the sound of her steps matching the rustling of the leaves outside. She did this because she wanted an adventure. With each step her excitement grew and a hint of dustiness told her that time had passed. She finally opened the door to the attic and when she saw the riches inside her eyes grew wide. Her attention was drawn to an old dusty mirror that leaned beautifully against the far wall between old trunks and forgotten jewels. Its frame which was a work of art in and of itself was a tribute to the skill of an earlier time. Its edges were covered with intricate carvings of magical animals and otherworldly settings that seemed to move in the flickering light that came through the small windows in the attic. Gemstones of all different colors were nestled in the frame and the beautiful images they made on the attic walls made it look like the mirror itself was hiding a secret world. It was different from any other mirror Lily had ever seen and it seemed to be made of magic. It seemed to whisper secrets from the past. As Lily reached out to wipe away the layers of dust that had built up on the mirror over time, her fingers shook with a mix of fear and joy. As her hand touched the glass a sweet musical chime rang through the attic, giving her chills. The mirror started to give off a soft otherworldly glow that wrapped Lily in a warm hug. A sweet lyrical voice came from inside the glass. It wove a tapestry of words that danced in the air like petals carried by the wind. "I am the Mirror of Dreams" it said and its voice rang with the wisdom of times past. "A guardian of wishes and a doorway to the magical realm." Lily's heart beat faster just like the voice in the mirror. She paid close attention as the mirror told her about all the dreams it had seen and wishes it had made come true. With each word the mirror's ethereal light pulsed filling the air with a feeling of awe and possibilities. Lily stood in front of the mirror and thought about her thoughts and dreams. She thought about her deepest wishes to travel to faraway places to figure out the secrets of the world and to have a future full of exciting adventures. Lily took a deep breath and spoke out loud her first wish. She did this with hope and determination in her voice. "I want to go to the farthest corners of the world and figure out what's going on there." She said with the excitement of someone about to go on a great journey. As she said the last word of her wish the attic was filled with the sound of the mirror's light getting brighter. Its light wrapped around Lily like a bright hug. The world around her started to blur and swirl and in an instant she was standing on a golden beach with waves crashing against the shore and palm trees moving in the warm air. She asked the mirror to take her to a place where there were no limits and no known boundaries. Lily's heart raced when she saw the beautiful scene in front of her. This was the beginning of an amazing journey that would take her across huge oceans.

through dense woods she couldn't get through and up tall mountains. She didn't know that her trip was just getting started and that the power of the mirror would bring her many more wonderful gifts. As Lily carefully wiped away the dust that had built up on the mirror's surface over the years, the air was filled with a sense of anticipation. With each gentle stroke, a soft shimmering glow seemed to come out of the depths of the glass, like a sleeping spell slowly coming to life. Everyone in the crowd seemed to be holding their breath as Lily was about to cross a mystery line. As the last bits of dust were brushed away, a beautiful shimmer emerged, a symphony of light that swirled and sparkled across the mirror. The twinkle took on a life of its own, weaving a pattern of stars that drew Lily toward it and pulled her into its warm embrace. The alluring light seemed to whisper secrets from the past, calling her to find out more about its seductive charm. Lily moved closer to the surreal scene in front of her. She gasped in shock and was mesmerized by it. Her own reflection sparkled in the mirror's depths, where it was surrounded by bright light. Her image was covered in a soft glow that seemed to match the spirit of her thoughts. The mirror had turned into a magical portal, an open doorway between the world of truth and the world of dreams.
